GREAT DISCOVERY.—Among the most important of all the great medical discoveries of this age may be con-sidered the system of vacef anation for protection from Small Fox, the Capabile Fill for relief of Areadache, and the use of Quinine for the prevention of Fevers, either of which is a ture specific, whose benefits will be experi-sived by a lifering humanity long after their discoverers are forgotten.

AG Did you ever have the Sick Headache? Do you re-member the throbbing temples, the favered brow, the loathing and disgust at the sight of food. How totally unit you were for pleasaure, conversation or study. One, of the Cephait Pills would have relieved you from all the safering which you then experienced. For this and other purposes you should always have a box of them on hand to use as occasion requires.
