BOERHAVE'S HOLLAND BITTERS.

THE CELEBRATED HOLLAND REMEDY FOR DYSPEPSIA, DISEASE OF THE KIDNEYS, LIVER COMPLAINT, WEAKNESS OF ANY KIND, FEVER AND AGUE.

And the various affections consequent upon a disordered stomach or liver.

Such as Indigestion, Acidity of the Stomach, Colic, Pains, Headaches, Loss of Appetite, Dropsy, Constipation, Blind and Bleeding Piles. In all nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation as a medicine produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions have been impaired by the copious use of ardent spirits, or other forms of dissipation. Generally instantaneus in effect, it finds its way directly to the seat of life, bringing and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTE.—Whoever expects to find this beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cord, possessed of singular remedial properties.

READ CAREFULLY! The Genuine highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only, and retailed at One Dollar per bottle, or six bottles for Five Dollars.

The great demand for this truly celebrated medicine has induced some imitations, which the public should guard against purchasing.

Beware of imposition. See that our name is on the label of every bottle or buy.

BLOOD FOOD.

The attention of Invalids, Physicians, Clergymen, and entire men, and the public generally, is respectfully solicited to the merits of this chemical preparation, containing Iron, Sulphur and Phosphorus, and which is the most important and the best of all the Globules, or red blood. In all diseases accompanied with

Debility, pale countenance and nervous derangement, analysis of the blood shows a deficiency of the red globules. Erythraemia, or a rosy tint of the skin, is always indicative of health; while a pale, wax-like skin and countenance, which evinces a deficiency of the red globules,—accompanies a diseased organism. Preparations of Iron have been given for the purpose of supplying the red globules, but we contend that, Iron alone, Sulphur alone, or Phosphorus alone, will not meet the deficiency in every case, but that a judicious combination of all these elements is necessary to restore the blood to its normal standard. This point, never before attained, has been reached in the Theory and Practice of this discovery, ranks as one of the most scientific and important of the age. Its effects in

Consumption are to open the lungs, brace the nerves, strengthen the system, allay the distressing night sweats, to say the least, the physical and mental energy, enrich the blood by restoring the lacking red globules, increase the appetite, renovate the diseased organs, and purify the blood with fish. The Blood Food will be found a specific in all Chronic Diseases of the Throat or Lungs, such as Asthma, Bronchitis, Coughs, &c. Public speakers and Singers will find it of great utility in clearing and strengthening the vocal organs. In Dyspepsia, Liver Complaints, Dropsy, Epilepsy, Paralysis, Scrofula, Gravel, St. Vitus's Dance, Leucorrhoea, &c., its efficacy is marked and instantaneous. In no class of disease, however, are the beneficial effects of this remedy so conspicuous as in those harassing

Female Complaints to which the female sex are liable, and which tend to waste Consumption, such as suppressed or difficult Menstruation, Green Stools, Water, &c., especially when these are accompanied with a dryness of the skin, depression of spirits, debility, palpitation, want of appetite, and nervous prostration. We have the utmost confidence in recommending the Blood Food to all who may be conscious of a loss of vitality or energy, and to those whose mental or bodily powers are prostrated through over-use, either of the mind or body, or from any other cause. It is in all cases of Weakness and Emaciation, and in all diseases of the Kidneys, Bladder, and in all diseases of the Urinary System, which cannot be cured by other means, and in all cases of Nervous Debility, and in all cases of Nervous Prostration, it is the most powerful and the most reliable remedy that can be used. It is the most powerful and the most reliable remedy that can be used.

'ardly Realized.

"I had 'a horrible headache this afternoon, and I stepped into the apothecary and said hi to the man, 'Can you please me with an 'ardache?' 'Does it have 'ard?' says he. 'Exceedingly,' says hi, hand upon it, 'I gave me a Cephalic Pill, and 'pon me 'pon it cured me so quick that I 'ardly realized I 'ad an 'ardache'."

HEADACHE is the favorite sign by which nature makes known any deviation whatever from the natural state of the brain, and viewed in this light it is looked on as a safeguard intended to give notice of disease which might otherwise escape attention, till too late to be remedied; and its indications should never be neglected.

Headaches may be classified under two names, viz.—Symptomatic and Idiopathic. Symptomatic Headache is exceedingly common and is the precursor of a great variety of diseases, among them Cholera, Typhoid, Typhus, and all febrile diseases. In its nervous form it is sympathetic of disease of the stomach constituting what is called nervous headache, or hepatic disease constituting bilious headache, or of the bowels, as well as renal and uterine affections. Diseases of the heart are very frequently attended with Headaches, Anemia and plethora are also affections which frequently produce Headache. Idiopathic Headache is also very common, being usually distinguished by the name of nervous headache, sometimes coming on suddenly in a state of apparent health, and protruding at once the mental and physical energies, and in other instances it comes on slowly, heralded by depression of spirits or acerbity of temper. In most instances it is in the front of the head, over one or both eyes, and sometimes protruding vomiting; under this class may also be named Neuralgia.

For the treatment of either class of Headache the Cephalic Pills have been found a sure and safe remedy, relieving the most acute pain in a few minutes, and by their subtle power eradicating the diseases of which Headache is the ushering index.

Constipation or Costiveness.

No one of the "many ills which flesh is heir to" is so prevalent, so little understood, and so generally attended with inconvenience, as Constipation, or Costiveness. Originating in carelessness, or sedentary habits; it is regarded as a slight disorder of little consequence, and is generally overlooked, until it has become a habit, and the system of the body is so deranged, that it will bring the sufferer to an untimely grave.

Among the most common and serious diseases of the human system, are Constipation, Biliousness, Headache, Rheumatism, Foul Breath, Piles and others of like nature, while a long train of frightful diseases such as Malignant Fever, Abscess, Gout, Dropsy, Rheumatism, Paralysis, Hysteria, Hypochondriasis, Melancholy and Insanity, first indicate their presence in the system by this alarming symptom.

A Real Blessing.

Physician.—Well, Mrs. Jones, how is that headache? Mrs. Jones.—Gone! Doctor, all gone! the pill you sent cured me in just twenty minutes, and I can't say I would send more so that I can have them handy.

Physician.—You can get them at any Druggist. Call for Cephalic Pills, I find they never fail, and I recommend them in all cases of Headache.

Mrs. Jones.—I shall send for a box directly, and shall tell all my suffering friends, for they are a real blessing.

Twenty Millions of Dollars Saved.—Mr. Spalding has sold two millions of bottles of his celebrated Prepared Glue, and it is estimated that each bottle saves at least ten dollars worth of broken furniture, thus making an aggregate of twenty millions of dollars retained from total loss by this valuable invention. Having made his Glue a household word, he now proposes to do the world's dirt, greater service by curing all the aching heads with his Cephalic Pills, and if they are good for the Glue, Headache will soon vanish away like snow in July.

OVER EXCITEMENT, and the mental care and anxiety incident to close attention to business or study, are among the common causes of Nervous Headache, or Bilious Headache, Cephalic Pills, and other forms of Headache, Nervous Headache, Cephalic Pills, and other forms of Headache.

GRAT DISCOVERY.—Among the most important of all the great medical discoveries of this age may be considered the system of protection from the Small Pox, the Cephalic Pills for Headache, and the use of Quinine for the prevention of Fever, either of which is a sure specific, whose benefits will be experienced by a suffering humanity long after their discoverers are forgotten.

Did you ever have the Sick Headache? Do you remember the throbbing temples, the fevered brow, the heaving and distended sight of the eyes, the total inability to work, to study, to converse, or to enjoy any of the pleasures of life? Cephalic Pills would have relieved you from all the suffering which you then experienced. For this and other purposes you should have a box of them on hand to use on occasion as required.

Cephalic Pills CURE Headache. Cure Nervous Headache. Cure All kinds of Headache.

By the use of these Pills the periodic attacks of Nervous or Sick Headache may be prevented; and if taken at the commencement of an attack immediate relief from pain and sickness may be obtained.

They seldom fail in removing the Nausea and Headache to which females are so subject.

They act gently upon the bowels,—removing Costiveness. For Literary Men, Students, Delicate Females, and all persons of sedentary habits, they are valuable as a Laxative, improving the appetite, giving tone and vigor to the digestive organs, and restoring the natural elasticity and strength of the whole system.

The CEPHALIC PILLS are the result of long investigation and carefully conducted experiments, having been in use in many years, during which time they have prevented and relieved a vast amount of pain and suffering from Headache, whether originating in the nervous system or from a deranged state of the stomach.

They are entirely vegetable in their composition, and may be taken at all times with perfect safety without making any change of diet, and the absence of any disagreeable taste renders it easy to administer them to children.

Beware of Counterfeits! The genuine have five signatures of Henry C. Spalding on each box.
