It is an established fact, that all diseases arise from It is an established fact, that all diseases arise from HTPURE BLOOD *i*. The blood is the life i and when any foreign or un-healthy matter gets mixed with it, it is none distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart, is weakened, and so the circulation is feeble. The lungs be come clogged with the poisonous matter; hence a cough —and all from a slight impurity of the fountain-head of lise—the Blood i. As if you had thrown some earth, for instance, in a pure spring, frem which ran a thy rivulet-in a few minutes the whole course of the stream be, oomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruc-tion is removed, the lamp of life soon dies out. These pills not only purify the blood, but regenerate all the secretions of the body, they are, therefore, unrivalled as a
