

good government throughout the world. Its enemies have beheld our prosperity with a veration they could not conceal—it was a standing refutation of their slavish doctrines, and they will point to our discord with the tri-umph of malignant joy. It is yet in your 'power to disappoint them. There is yet time to show that the descendants of the Pinckneys, the Sumters, the Rutledges, and of the thou-sand other names which adorn the pages of your Revolutionary history, will not abandon that Union, to support which so many of them fought and bled and died. GREAT DISCOVERY.—Among the most important of ail the great medical discoveries of this age may be con-sidered the system of vaccination for protection from Small Pox, the Cephallo Fill for relief of Headache, and the use of Quinine for the prevention of Favers, either of which is a sure specific, whose benefits will be experi-enced by enforming humanity long after their discoverers are forgotien.

**AG**-DD you ever have the Sick Headache? Do you re-member the throbbing temples, the fevered brow, the loathing and disgust at the sight of food. How totally unfit you were for pleasure, conversation or study. One of the Cephalic Pills would have relieved you from all the suffering which you then experienced. For this and other purposes you should always have a box of them on hand to use as occasion requires.
