The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stgmach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The large be come clogged with the poisonous matter; hence a cough—and all from a slight impurity of the fountain-head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet in a few minutes the whole course of the stream be, comes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed; the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body, they are, therefore, unrivalled as a IMPORE BLOOD:

GREAT FEMALE MEDICINE!

Females who value health, should never be without these Fills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches, and bring the rich color of health to the pale cheek.

*** The Plunts and Herbs of which these Fills are made, were discovered in a very surprising way among the Textens, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the "Great Medicans" of the Aztecs.

Observe. — The Moutain Herb Fills are put up in a Beautiful Wrapper. Each box contains 40 pills, and Rétail at 25 cents per box. All genuine, have the signature of B. L. JUBSON & CO., on each box.
