BARRISBURG

Saturday Atternoon, January 25, 1861.

A STATED MEETING of the Friendship Fire Company, No. 1, will be held at their hall on Monday evening, at the usual hour.

THE ICE DEALERS, and owners of private ice houses, have laid in large supplies of the crystal blocks. We shall therefore have an abundance of congealed Susquehanna water for summer use.

THE DIFFERENCE. - One of our exchanges has the following on inalienable rights. It says, "those of the North are life, liberty and the his credentials should prove to be good pursuit of happiness, and those of the South Charleston Dispatch. life, liberty and the pursuit of niggers.'

GONE HOME.—Both branches of the Legisla. time having adjourned until Monday afternoon, the South Carolina Navy. We will have to many of the members have taken advantage provide places for them in the prison in time, of the recess to visit their homes. As a conse and it would be economy to get rid of them. quence, our principal hotels and the Capitol How their "credentials" would be received, chambers somewhat resemble "banquet halls it is not easy to foretell. If the accessions come deserted."

COURT PROCEEDINGS .- When our report closed yesterday the case of the Directors of the Poor vs. Daniel F. Waguer was on trial .-The plaintiffs sued defendant for the maintenance of his wife. The jury returned a verdict reduiting Wagner to pay his wife the sum of does it ordinarily lead through pleasant scenes one dollar per weck.

which commences at ten o'clock

W Music. - "O Sing that Melody Again," oschell, "One by One," words by Chas. Polks" and a melody called "the Mantinee," are all new music, just published by Hall & Son, New York, and have been received through and great variety of choice music for sale.

CORRECTION. -In our report of true bills found by the Grand Jury at the late term, was minst Wm. Carr for fornication and bascase having been settled some weeks ago. We never believed Mr. Carr guilty of the charge own firesides. made against him, and the general opinion is that he was the victim of a foul conspiracy.

seting an interesting time is anticipated. Maryland and Virginia. He says:

nd our citizens, will give Mr. Lincoln a knowing

CONTHLY MEETING of the Sabbath School 'Association will be held in the Preschurch.corner of Third and Pine streets. The following subject will be prear discussion :

That we hall with pleasure the inspirit of systematic benevolence in shools, and urge its extension as ima high degree to the formation of

pasto of the congregation, have been abundantly bessed, and the mark The lations of Rev. Mr. Shoemaker, of this city, argely increased. Some sixteen or ersons, recently converted, will be by immersion in the river, immefter the regular services to-morrow

ntions, we are obliged to omit them, huddled together.

ASHES ON THE SIDEWALKS.—There seems to sult of which is two prayers daily offered, which morning and evening, at the usual hours run as follows :--

PRAYER OF THE OLD POLES. Pray, scatter ashes on the sidewalk, Or sait, or saw dust, or fine sand. That we may ireely "walk uprightly," Our feet their slippery way withstand; Pray scatter with a liberal hand, On every side,

Both far, and wide. PRAYER OF THE YOUNG FOLKS.

Put not an ash upon the sidewalk,
No sand, no saw dust, neither sat,
That we may slide down hill with freedom;
And if the old folks will find fault,
Because we slile and make them halt,
If their old soles are sorely tried,
Why, let'em slide."

A Young Man from the North has offered

There are a number of young men about the street corners in this city, whose occupation it is to insult females, who could be spared for not be formidable for years to come. Hens sions of the Legislature, are not visible here usually make a large fuss over a single pullet.

Business Men.—The road along which the man of business travels in pursuit of competence or wealth is not a macademized one, nor hearts and light pockets. May we never see or by well springs of delight. On the contrary No PREACHING IN BEANT'S HALL.—There will it is a rough and rugged path, beset with thorns. be no freaching to-morrow morning or evening and full of pit-falls and snares, which can only This is Mitchell's latest and best attempt to at's Hall, in consequence of the continu- be avoided by the exercise of watchful care furnish the American people with a complete hval meeting at Wormleysburg, under and circumspection. to unite with them. to unite with them. The procession cation to our people, that important propositions have been suggested from responsible sources, looking to a united action on the part of all our border conferences in a demand upor the general conference, so to alter the disci-pline as to remove the slavery question from the general conference to the respective annual w afternoon, at a quarter past three conferences within whose bounds it may exist in which event the formation of a Peninsula Conference will be highly important, so as t co-operate with other border conferences.

Interesting from the Oil Region. - The reports from the oil region continue as hopeful as ever. a high degree to the formation of benevolence among children, as well present and future blessed effects of wells are yielding finely, and new strikes are frequent. Of the quantity of oil pumped daily, some REV. MEETING.—A religious revival meeting if we hleysburg, opposite this city, commenced the three weeks ago, continues in horse and Eric road. This was worth, say \$10 idea may be formed from the fact that within two successful progress. The nightly meetings are bury and Eric road. This was worth, say \$10 largely attended by the people from the sur per barrel, and gave employment to upwards rounding country, and scores of men and of four hundred teams. They have had good rounding country, and scores of men and women have sought and obtained religion.— sledding up there since the first of December, dom falls if applied in its early symptoms. No family which is favorable for getting the oil to market; should be without a bottle of it always on hand. but how this is to be accomplished when the roads break up in the spring, is a question yet to be determined. Think of three hundred to four hundred wagons, heavily laden, passing which the natives of Burmah, from their unwholeso daily over a common road, when the frost is style of living, are peculiarly exposed. It is a valuable daily over a common road, when the frost is style of nyme, are produced antidete to the poison of Centipedes, Scorpions, how antidete to the poison of Centipedes, Scorpions, how are common road, when the frost is style of nyme, are produced antidete to the poison of Centipedes, Scorpions, how are common road, when the frost is style of nyme, are produced as a common road, when the frost is style of nyme, are produced as a common road, when the frost is style of nyme, are produced as a common road, when the frost is style of nyme, are produced as a common road, when the frost is style of nyme, are produced as a common road, when the frost is style of nyme, are produced as a common road, when the frost is style of nyme, are produced as a common road, when the frost is style of nyme, are produced as a common road, when the frost is style of nyme, are produced as a common road, and the produced are produced as a common road, and the the Sunbury and Erie will have to be made to the centre of the oil region. One or two refineries are in process of erection near Titusville. MEETING AT WEST FAIRVIEW. -The cit-West Fairview and vicinity, on the op- This will save the cost of transportation of a le of the river, assembled in mass certain per centage of the crude oil, which is at the Town Hall, a few evenings ago, lost in the process of refining; but, on the or the present state of the Union, and other hand, the high price of coal, now combeir opinions as to the best plan for manding twenty-five cents per bushel at that place, will be a serious drawback. It is true, business. In all such cases, ordinary medicines can do business. In all such cases, ordinary medicines can do little good. What is required is just such a tonic and inous confederacy. Judge Smither, forward to its ultimate value, and even now vigorator as Dr. J. Hostetter has given to the world, in nd patriotic speeches were delivered are demanding double price. It is not as safe W. Fessler, Major Ryan, David G. a fuel, moreover, as coal, as danger is to be the shop-board, and the prostrated student of the mid his, Lieut. M'Cune and others. A se-apprehended from the emission of sparks. In night latin, have found a wenderful regenerator in the ries of resolutions were adopted, conservative fact, this objection is not confined to refineries.

But it should not be forgotten that and patriotic in sentiment, expressing dethe agent which is so magical in its influence upon a frame which is morely debilitated, is equally powerful to an adjustment of existing diffidestructive conflagrations at some of the conflagrations at some of the conflagrations and dealers over the most terrible forms of destructive conflagrations at some of the cold by denogists and dealers over where. Owing to the length of the preamble points on the creek where the works are closely

BAPTIST SERVICES .- Rev. Wm. H. M'Neal, of be two parties in this city on the question of Lewisburg, will preach in the Baptist church, throwing ashes on the iced sidewalks—the re corner of Pine and Second streets, to-morrow

> Anniversary Celebration .- The Good Temp lars will celebrate the anniversary of the organization of their Lodge, on Monday evening next. Appropriate addresses are to be delivered, odes sung, and refreshments served up. No doubt our cold water friends will have a pleasant and refreshing season.

METHODIST SERVICES .- Rev. Dr. Robinson, of Brooklyn, will preach in the Locust street church to-morrow morning, for the benefit of the worn out and superannuated preachers .his services to the Governor, and wishes to be placed in the South Carolina Navy. He will the audience chamber of the church at three be accepted, and recommended to a place, if o'clock in the afternoon, and the usual services in the evening.

THEIR OCCUPATION GONE. - The "third House" system is about played out, the members of the present Legislature having given the "borers" to understand that they are fully competent to manage their own business, and intend to do so. A good many of this class of mercenaries, whose familiar faces were wont to be seen about but one at a time, the force of the navy will the hotels and legislative halls during past sesthis winter. Their "occupation's gone," and loafing at Harrisburg won't pay expenses .-Most of those who came here at the opening of the session have returned home with heavy them again!

THIS OF THE SKIN.

This Continent bears no resemblance to by other external remedy at present before the world. The mode of its operation is pectifian.

I penetrates to the basis of the disease—goes to its generation is pectifian.

I penetrates to the basis of the disease—goes to its grey source—and cures it from the flesh beneath to the it in on the surface.

Other outward applications for Scrofula, Salt Rheum, Sc., operate deconward, thus driving the disorder invards, and often occasioning terrible internal maladles.

Normon's Gintenent, on the contrary, throws the poisen of the disease upward, and every particle of it is discharged throu the pores.

Thus the cures it effects is complete. Not only are the sores healed—the eruptions removed—the swellings reduced—but the seeds of the disease are expelled from the flesh; consequently there can be no relarse.

Victims of ulcerous and eruptive complaints, who have tried every professional mode of treatment and every advertised curative without relief, here is a certain, safe, and expeditious remedy for the evils you endure. A ingle box will satisfy you of the truth of all that is here tated.

Since its first introduction, the properties of the Clint.

tated.

TO FARMERS.—VIRGINIA LANDS.—The undersigned is now prepared to furnish, in any quantities, from 100 to 1000 acfes, or more, good farming or grazing lands, in Randolph and adjacent counties, in Western Virginia, within 12 or 15 hours of Baltimore and 24 hours of N. Y. The lands are fertile and well timbered, the climate very healthy, and so mild that sheep can be ordinarily wintered with very little feeding, and where a cow can be raised as cheap as a chicken in New England.

They will be sold cheap, and on easy terms, or exchanged for improved property or merchandise.

Address, with Postage stamp, care of JOY, COE & CO Tribune Building, New York.

MOTHERS, READ THIS .- The following is an struct from a letter written by the pastor of a Baptis hurch to the "Journal and Messenger," Cincinnat hio, and speaks volumes in favor of that world-re-owned medicine—Mrs. Winslow's Soothing Syrup fo

nowhed medicine—Mrs. Winslow's Soothing Syrup for Children Teething:

"We see an advertisement in your column of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of a patent medicine before in our life, but we feel compelled to say to our readers, that this is no humbug—we have tried it, and know it to be all it claims. It s, probably, one of the most successful medicines of the ay, because it is one of the best. And those of your aders who have babies can't do better than to lay supply.

NOTICE.

Coughs.—The sudden changes of our climate are sources of Pulmonary, Bronchial and Asthmatic Affections. Experience having proved that simple remedies often are specially and certainly when taken in the early stages of the disease, recourse should at once be had to 'Brown's Bronchial Treches," or Lozenges, let the Cold, Cough, or Irritation of the Throat be ever so slight, as by this precaution a more serious attack may be warded off. Fublic Speakers and Singers will find them effectual for clearing and strengthening the veice. See advertisement.

Wood's HAIR RESTORATIVE .- Among all Woon's HAIR RESTORATIVE.—Among all preparations for the hair that have been introduced as infallible, none has ever given the satisfaction or gained the popularity that Prof. Wood's Hair Restorative mow has. His Restorative has passed the ordeal of innumerable fashionable toilets, and the ladies, wherever they have tested it, promounce it a peerless article. They find, wherever they have tested it, promounce it a peerless article. They find, where the hair is thinned, that it creates a fresh growth—that it fully restores the vegetalive power of the roots on the denuded places, and causes the fibres to shoot forth anew—that it dissolves and removes dandruff, prevents grayness, restores the hair to its original color when grayners has actually supervened, gives a rich lustre, imparts the softness and lexibility of silk to the hair, and keeps it always luxium, healthy and in full vigor.—"N. Y. Tribune."

Phore Ween's Have Percentures. This Berney Ween's Have Percentures.

PROF. WOOD'S HATR RESTORATIVE.—This Restorative for making the hair grow, stopping its failing out, and restoring gray hair to its original color, is becoming celebrated. All the quack nostrums are giving way before it. Three fourths of the mixtures for restoring and beautifying the h-ir, do it more injury than good. They burn it up—destroy the life of its roots—make th- hair fail off, and produce premature baldness. But Prof. Whood's Restorative may be relied upon as containing nothing which can in any manner be injurious to the hair, while its success in accomplishing what it pretends to do has been verified in bundreds of cases. We advise gray heads, and heav's getting bald-all who wish to save their wool or obtain a new stock, to get a bottle of Wood's Restorative—N. V. Democrat.

Soid by all Druggists.

183**We call the attention of our readers to an

WE call the attention of our readers to an article advertised in another column, called Blood Food It is an entirely new discovery, and must not be confounded with any of the numerous patent medicines of the day. It is food for the blood, already propared for absorption; pleasant to the taste and natural in action, and what one gains he rotains. Let all those, then, who are suffering from poverty, impurity or deficiency of blood, and consequently with some chronic disease or ailment, ta e of this Blood Food and be restored to health. We notice that our Preveites have received a content. ta e of this BLOOP Food and be restored to health. We notice that our Drughtst have received a supply of this article, a d also of the world-renowned Dr. Katow's IN. SANTIE COMPAL, which every mother should have. It is said to contain no paregoric or opiate of any kind whatever, and of course must be invaluable for all infantile complaints. It is also said that it will allay all pain, and soften the gums in process of teething, and at the same time regulate the bowels. Let all mothers and niorses, who have endured anxious days and siepless ughts, procure a supply and be at once relieved.
