I beg leave to call the attention of the citizens of the
United States to the above Wires and Liquess, imported
by Udolpho Wolfe, of New York, whose name is familiar in every part of this country for the purity of his
celebrated Schidam Schidars. Mr. Wolfe, in his letter
to me, speaking of the purity of his Wires and Liquous,
says: "I will stake my reputation as a man, my standing as a merchant of thirty years' residence in the City
of New York, that all the Brandy and Wires which I
bottle are pure as imported, and of the best quality, and
can be relied upon by every purchaser." Every bottle

Enorsious Brunness con Car New York Missonawr.

We are happy to inform our fellow citizens that there is
one place in our city where the physician, apothecary,
and country merchant, can go and purchase pure Wines
and Liquors, as pure as imported, and of the best quality
We do not intend to give an elaborate description of this
merchant's extensive business, although it will well repay any stranger or citizen to visit Udolphe Wolfe's extensive Warehouse, Nos. 18. 20 and 22 Beaver street,
and Nos. 17, 19 and 21, Mark etiled street. His stock of
Schanpps on hand ready for shipment could not have
been less than thirty thousand cases; the Brandy, some
ten thousand cases of Madeira, Sherry and Port Wine,
Scotch and Irish Whisky, Jamaica and St. Croix Rum,
some very old and equal to any in this country. He also
had three large cellars, filled with Brandy, Wine, &c., in
casks, under Custom House key, ready for bottling. Mr.
Wolfe's sales of behnapps last year amounted to one
hundred and eighty thousand dozen, and we hope in less
than t

Brindies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wings and Liquores.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man; and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to health and human happiness. c. The Amaidamation of Languages.—There is a growing tendency in this age to appropriate the most expressive words of other languages, and after a while to incorporate them into our own; thus the word Cephalic, which is from the Greek, signifying "for the head," is now becoming popularized in connection with Mr. Spalding's great Headache remedy, but it will soon be used in a more general way, and the word Cephalic will become as common as Electrotype and many others whose distinction as foreign words has been worn away by common usage until they seem "native and to the manor born"

Constination or Costiveness.

No one of the "many ills flesh is heir to" is so prevalent, so little understood, and so much neglected as Costiveness. Often originating in careles isness, or sedentary habits; it is regarded as a slight disorder of two little consequence to excite anxiety, while in reality it is the precursor and companion of many of many of the most fatal and dangerous diseases, and unless early eradicated it will bring the sufferer to an untimely grave.—Among the lighter evils of which costiveness is the usual attendant are Headache, Colle, Rhemmatism, Foul Breath, Piles and others of like nature, while a long train of rightful diseases such as Malignant Favers, Abcesses, Dysentery, Diarrhosa, Dyspepsy, Apoplexy, Epilepsy, Paralysis, Hysteria, Hypochondriasis, Melancholy and this alarming symptom. Not unfrequently the diseases mamed originate in Constipation, but take on an independent existence unless the cause is eradicated in an early stage. From all these considerations it tollows that the disorder should receive immediate attention whenever it occurs, and no person should neglect to get a box of Cosphallo Pills on the first appearance of the complaint, as their, timely use will expect the insiduous approach o disease and destrey this daugerous fire to buman life.

Twenty Millions of Dollars Saved.—Mr. Spaldifg has sold two millions of bottles of his celebrated Prepared Glue and it is estimated that each bottle saves at least ten dollars worth of broken furniture, thus making an aggregregate of twenty millions of dollars reclaimed from total loss by this valuable invention. Having made his Glue is household word, he now proposes to do the world stir greater service by curing all the aching heads with his Cephalle Pills, and if they are as good as his Glue, Head aches will soon vanish away like snow in July.

OVER EXCITEMENT, and the mental care and anxiety incident to close attention to business or study, are among the numerous causes of Nervous Headache. The disordered state of mind and body incident to this distressing complaint is a faital blow to all energy and ambition. Sufferers by this disorder can always obtain speedy relief from these distressing attacks by using one of the Cephalia Pills whenever the symptoms appear—Is quiets the overtasked brain, and soothes the strained and jarring nerves, and relaxes the tension of the stomach which always accompanies and aggravates the disordered condition of the brain. DR. JOHNSTON.

Dr. Johnson member of the Roya' College of Surgeons, London, graduate from one of the mest eminent Colleges of the United States, and the greatest part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known. Functions, General Debilty, Symptoms of Kensumption, &c.

Indeed without these, the journey through like becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with our owa.
