CONCENTRATED LEAVEN,

FOR MAKING

Bread, Tea-Cakes, all kinds of Pastry, &c.

MANUFACTURED BY

EDW. CHAMBERLIN & CO.,

Proprietors of Shawmut Chemical Works.

No. 33 INDIA STREET, Boston.

CONCENTRATED LEAVEN is the result of careful chemical research. All its ingredients are prepared in the highest state of purity, and compounded with a view to produce bread of a far better quality, and in much less time, than by any other process; and by the manufacturers submit it, with entire confidence, to the judgment of discriminating housekeepers, bakers, &c.

Bread of all kinds made by using Concentrated Leaven is lighter, more digestible and nutritious; has an agreeable, natural taste; is less liable to sour; will retain its moisture longer than by any other process, and the whole preparation for the oven need not exceed ten minutes.

It is valuable because it is not perishable, and may be rendered available in places and at times when yeast is not within reach, as at sea. In all climates and under all circumstances, it may be adopted, thus obviating all difficulty of procuring yeast or other ferment, which is frequently of an inferior quality, rendering the bread more or less unwholesome.

It is also valuable as regards economy, as it has been ascertained that a saving is effected in the flour of not less than 16 per cent. In the common process much of the saccharine of the flour is lost by being converted into carbonic acid gas, or spirit, and the waste is incurred solely for the purpose of generating gas to raise the dough. By using Concentrated Leaven this waste is avoided, and the gas obtained in a manner equally efficacious. Fermentation, as has been stated, destroys a part of the flour or meal, and, in consequence, a barrel of flour weighing 196 lbs., which, by the common method, ordinarily makes about 250 lbs of bread, gives by this process 290 lbs, thus effecting the very important saving of 16 per cent. in the quantity of flour. By conformity to the directions on each packsge, any person capable of ordinary attention may conduct the process, and the result will invariably be highly satisfactory.

CERTIFICATE FROM DR. HAYES,
Assayer to the State of Massachusetts.

"I have analysed the Concentrated Leaven, manufactured by Messrs. Edw. Chamberlin & Co., with reference to its purity and efficiency of action in producing the effect of yeast in distending dough, and thereby rendering it fit for making bread. This article is skillfully compounded, from perfectly pure material. It raises the dough without consuming the sugar or any other principle in the flour, perfectly; and the same weight of flour will produce more sweet, palatable bread than can be obtained through yeast; while for cakes and pastry it is invaluable, as it saves all risk, and much time of the pastry cook.

"The experiments made by me confirm the statements made by the manufacturers, and proves this compound worthy of public approval and extended use.

"Respectfully,
"A. A. HAYES, M. D., State Assayer,
"16 Boylston street, Boston, September 25, 1860."

DIRECTIONS.

Much kneading should be avoided. Cut into desired form, and place immediately in a hot oven and bake quickly.

DR. D. W. JONES,

HARRISBURG, PA.

HAS moved his office to the National House in Market street, opposite the Post Office. Be particular and observe the name on the window.—Dr. Jones may be consulted on all diseases but more particularly dieases of a private nature. GONORRHEA.

Dr. JONES offers the only safe and certain remedy for Gonorrhea, Gleet, Stricture, Liver Complaint, Dyspepsia, Costiveness, and all Derangements of the Stomach. This preparation will cure Gonorrhea in from three to five days, and can be had at any time of Dr. JONES, at his office, at One Dollar per bottle, and one bottle is sufficient to cure a mild case.

SYPHILIS.

This is one of the worst of all diseases. Dr. JONES pledges himself to cure Syphilis in its worst forms. This disease makes its appearance in so many different forms, that a single plan of treatment will not reach it in all its features; so it may require different remedies, according to the nature of the case. Dr. JONES will make a written article with any one—NO CURE NO PAY! The remedies used by Dr. JONES, are *purely vegetable*, and need no change of diet or hindrance from business.

SPERMATORRHEA.

This habit of youth is indulged in while alone, and a often learned from evil companions when at school, and if not cured will, destroy both mind and body. Both sexes fall victims to this disease. The symptoms are—Pain in the Head, Dimness of Sight, Ringing in the Ears, Pimples on the Face, Loss of Memory, Frightful Dreams at Night, Weakness in the Back, Pain in the Breast, and Cough, (indicative of Consumption,) Dyspepsia, great Derangement of the Nervous System, and so on till Death puts an end to their sufferings.
