I begleave to call the attention of the citizens of the United States to the above Winss and Laques, imported by Udolpho Wolfe, of New York, whose name is familiar in every part of this country, for the purity of his celebrated Schendar. Scanners. Mr. Wolfe, in his letter to me, speaking of the purity of his Winss and Laques, says: "I will stake my reputation as a man, my standing as a merchant of thirty years' residence in the City of New York, that all the Brandy and Winss which I bottle are pure as imported, and of the best quality, and can be relied upon by every purphase." Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificite. The public are respectfully invited to call and examine for themselves.— For aske at Retail by all Apothearies and Grocers in Philadelphia.

We are happy to inform our fellow citizens that there is one place in our city where the physician, apotheary, and cobntry, merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality we do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit Udolpho Wolfe's extensive bane less than thirty thousand cases: the Brandy's conference of Madeira, Sherry and Port Wine, the merchant's extensive business, although it will well repay any stranger or citizen to visit Udolpho Wolfe's extensive been less than thirty thousand cases in Brandy's conference of the work of the standard cases.—Vintages of 1836 to 1856; and ten thousand cases.—Vintages of 1836 to 1856; and ten thousand cases.—Vintages of 1836 to 1856; and ten thousand cases.—Vintages of 1836 t
