UDOLPH WOLFE'S AROMATIC SCHIEDAM SCHNAPPS

A SUPERLATIVE TONIC, DIURETIC, ANTI-DYSPEPTIC AND INVIGORATING CORDIAL.

To the Citizens of New Jersey and Pennsylvania.

I beg leave to call the attention of the citizens of the United States to the above Wines and Liqueurs, imported by Udolph Wolfe, of New York, whose name is familiar in every part of this country for the purity of his celebrated SCHIEDAM SCHNAPPS.

Read the following from the New York Herald: We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and every merchant should be sure to purchase his Wines and Liqueurs, as pure as imported, and of the best quality.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liqueurs. Such a man, and such a merchant, should be maintained against his tens of thousands of competitors in the United States, who sell nothing but imitations, rums, alikes to health and human happiness.

SOMETHING MORE VALUABLE THAN SILVER OR GOLD.

IT WILL RESTORE THE WEAK, REINSTATE THE BLOOD IN ALL ITS ORIGINAL VIGOR AND PURITY.

PROF. O. J. WOOD'S RESTORATIVE CORDIAL, AND BLOOD RENOVATOR.

Is precisely what its name indicates; for, while pleasant to the taste, it is revivifying, exhilarating and strengthening to the vital powers. It also restores, reinstates, and renews the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all.

So chemically and skillfully combined as to be the most powerful tonic, and yet so perfectly adapted as to be a perfect accompaniment with the law of nature, and hence soothe the weakest stomach, and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly exhilarating, and gives you a new vigor, and restores the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all.

There is nothing in it equal. It is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland, and spreading over the face of this mighty country, many of whom brought it with them and handed down the tradition of its value. It is now offered to the American public, knowing that its truly scientific medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, throbbing and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor into the system.

It will not cure the debility following CHILLS and FEVER, but prevents all attacks arising from Miasmatic agencies, and cures the disease at once, if already attacked. TRAVELERS should have a bottle with them, as it infallibly prevents any deleterious consequences following exposure to an unwholesome atmosphere.

As it prevents constipation, and strengthens the digestive organs, it should be in the hands of all persons of sedentary habits. Ladies not accustomed to out-door exercise, should always use it.

MOTHERS should use it, for it is a perfect restorer. Taken after the manner directed on the label, it will pass the dreadful period with perfect safety.

There is no mistake about it. THE CORDIAL IS ALL WE CLAIM FOR MOTHERS, TRY IT!

And to you we appeal, to detect the illness or disease not only of your daughters before it be too late, but to your sons and husbands, for while the former from false delicacy, or go down to a premature grave, rather than to their condition, or know in time, the latter are often mixed up with the excitement of business, that it were not for you, they too would travel in the same downward path until it be too late to arrest their fatal course. And the mother is always vigilant, and to you we cordially appeal; for you are sure your never-failing affection will naturally point you to Professor WOOD'S RESTORATIVE CORDIAL, as the remedy which should be always on hand in time of need.

And what the Press say after thoroughly testing the matter, and no one can have a doubt. PROF. WOOD'S RESTORATIVE CORDIAL.—It is recorded in classics that Psyche was once sent to a climate warmer than our own, to procure a sample of the beautiful Proserpine in a box. After some delay the messenger returned, and as soon as the lid of the box was removed, out flew the fire that had been in the box. Prof. Wood's Restorative Cordial revivifies the recollection of the story, for it invigorates the blood, aids the organs of digestion, and restores the system, and to you we cordially appeal; for you are sure your never-failing affection will naturally point you to Professor WOOD'S RESTORATIVE CORDIAL, as the remedy which should be always on hand in time of need.

BOERHAVE'S HOLLAND BITTERS.

THE CELEBRATED HOLLAND REMEDY FOR DYSPEPSIA, DISEASE OF THE KIDNEYS, LIVER COMPLAINT, WEAKNESS OF ANY KIND, FEVER AND AGUE, AND THE VARIOUS AFFECTIONS CONSEQUENT UPON A DISORDERED STOMACH OR LIVER.

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Respondency, Constipation, and Bleeding Flux: In all various Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial; and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland, and spreading over the face of this mighty country, many of whom brought it with them and handed down the tradition of its value. WOOD'S RESTORATIVE CORDIAL.—It is recorded in classics that Psyche was once sent to a climate warmer than our own, to procure a sample of the beautiful Proserpine in a box. After some delay the messenger returned, and as soon as the lid of the box was removed, out flew the fire that had been in the box. Prof. Wood's Restorative Cordial revivifies the recollection of the story, for it invigorates the blood, aids the organs of digestion, and restores the system, and to you we cordially appeal; for you are sure your never-failing affection will naturally point you to Professor WOOD'S RESTORATIVE CORDIAL, as the remedy which should be always on hand in time of need.

And what the Press say after thoroughly testing the matter, and no one can have a doubt. PROF.
