HON. DAVID WILMOT.

We have the proud satisfaction to-day to announce the election of the Hon. DAVID WILMOT as United States Senator, to supply the vacancy occasioned by resignation of Gen'l. CAMERON. Mr. WILMOT left the Democratic party when it was in the height of its glory and powerful in patronage, for the purpose of asserting the principles which he considered just and right and essential for the promotion of the welfare of Pennsylvania. When he left that powerful Democratic party he represented the strongest Demoeratic Congressional district in this State; and through his personal efforts it has now become the Gibralter of Republicanism. He has ever since been sorely per ecuted by the pro-slavery party, who have used all dishongrable means to detract from his personal character and influence, and in the present canvass he was made the target for their weapons. We are therefore rejoiced, not only that DAVID WILMOT is elected a United States Senator, but also that the claims of the noble North have been duly recognized in

worth and merit, and he would therefore

move that the Hon. DAVID WILMOT be deafening applause.

thoughts are still on peace, and from the position of all the border States, including Louisiana, it is likely that her forbearing counsels and example will succeed in the promotion of a better feeling among the excited members of the na tional family, and in the restoration of confidence and peace to the country. Let her continue her conservative course, heedless of the taunting and insulting invectives and inuendoes that are thrown out by the press, both at the North and the South, and we shall live to see the day when shame shall cover them while she shall be rejoicing in her triumph. Her deeds will soon be history, and it will be a glorious record that shall tell of her success in securing the co-operation of her sister States and the victory of union and peace that she may obtain.

BIG CALCULATIONS .- Says one of
