Dr. Johnson member of the Roya' College of Surgeons, London, graduate from one of the mest eminent Colleges of the United States, and the greatest part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the grost astonishing cures that were ever known. MENTALLY, the fearful effects on the mind are much to be dreaded :—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-distrust, Love of Solitude, Timidity, &c., are some of the evil effects.

Thousands of persons of all ages, can now judge what is the cause of their decline in health, losing their vigor, becoming, weak, pale, nervous and emaciated, have a singular appearance about the eyes, cough, and sympms of consummion.
