I beg leave to call the attention of the citizens of the United States to the above Winss and Liquose, imported by Udolpho Wolfe, of New York, whose name is familiar in every part of this country for the purity of his sciebrated Geninday Scinarges. Mr. Wolfe, in his letter to me, speaking of the purity of his winss and Liquose, says: "I will stake my reputation as a man, my standing as a merchant of thirty years' residence in the City of New York, that all the Branny and Winss which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser." Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves.—For sale at Retail by all Apothecarles and Grocers in Philadelphia.
