But the mother is always rigilant, and to you we considently appeal; for we are sure your never-failing aftentian will uncertisely point you to Professor WOOD'S RESIORATIVE CORDIAL AND BLOOD RENOVATOR as the remedy which should be always on hand in time of need.

the renealy which should be always on hand in time of need.

Read what the Press say after thoroughly testing the matter, and no one can have a doubt.

PROF. WOOD'S RESTORATIVE CORDIAL.—It is recorded in classics that Pusche was once sent to a climate warmer than the West Indies to procure a sample of the beauty of Proserpine in a box. After some delay the messenger returned, and as soon as the lid of the box was removed out flew all the ills that flesh is heir to.—Fortunately hope was found in the bottom of the box. Prof. Wood's Restorative Cordial revives the recollection of the story, for it invigorates the blood, aids the organs of digestion, inparts strength to the nervous system, and fortifies the citadet of health, so as to bid defiance to the assaults of disease. It is a healthy toole, composed entirely of vegetable productions and while it is existerating as pure wine, no injurious results can possibly followits use.

fortifies the citatel of health, so as to bid defances to the assants of disease. It is a healthy toole, composed en itroly of vegetable productions and while it is exinitarating as pure wine, no injurious results can possibly follow its use it is a desideratum in the medical world, and those who are afflicted with loss of Appetite, Dyspepsia, Consumption, Funtaness, Giddiness, Neuralgia, Palpitation of the Heart, &c., will here find an infallible panacca. 'St. Louis bully Express.'

PROF. WOOD'S RESTORATIVE CORDIAL and BLOOD RENOVATOR is, without doubt, the best Tonic Cordial in its world. To those who are suffering from general debility we would recommend its use; for, while it is pleasant to the taste, it is strengthening to the system, and will at once tend to remove all impurities of the blood, and eradicate all traces of thesase. It can be taken by the weakest stomach, while those in good heal h will at once feel its exhilarating power. We are confidout that after using one bottle of this cordial none will be for a day without it.—"New York Leader."

A PURE, HEALTHY TONIC, and one free from the deleterious and injurious effects sure to follow those in ordinary use, has long been felt to be a desideratum in the medical world. Such a tonic, and one so skillfully combined from the vegetable kingdom as to act in perfect accordance with the laws of nature, and thus soothe the weakest stomach, and at the same time allay nervous and other irritatious, and tone up all the organs of which the human body is composed, is offered in Prof. Wood's Restorative Cordial and Blood Renovator. Hence, it is perfectly adapted to cld and young. Reader, try it, universal in its favor.—"New York Alas."

PROFESSOR WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR, for the cure of General Debility, or Weakness arising from any cayes, also Dyspepsia, Nervousness, Night Sweats, Incipient Consamption, Liver Complains, Billousness, Loss of Appetite, Female Weakness, in all its stages, also, to prevent the contraction of disease, is certai

marge of the diseases enumerated.—"Now York Dispatch."

Before noticing a patent medicine, we have to be certain that it will provo itself to be all that it is recommended. And we would say that the Restorative Cordial and Blood Renovator of Prof. Wood will stand the test fully, and, in fact, it is without any doubt the first article in market for purifying the Blood and strengthening the system. We have no be "intion in recommending its use to all.—"The New-Yorker."
