HARRISBURG

Tuesday Afternoon, April 2, 1861.

SENATOR GRAGO, who has been severely indisposed for several days, is now gradually improving. He has been removed from the Jones House to the residence of Gov. Curtin.

EVERY household has its pet names. Mr. Smith enchants his helpmate by calling her his "idol." Smith, however, is generally rumored, privately spells it i-d-e.

MORE EDITORS IN LOCK.—In addition to the large number of editorial postmasters already announced, we now learn that Mr. Walter, of the Delaware County Republican, Mr. Young, of the Tioga Advertiser, and Mr. Sterrett, of the Erie Gazette, have been appointed postmasters in their respective towns. We are glad to see "old Abe" taking care of the editorial fraternity, the real working men of the party.

DELAWARE SHAD.—The shad fishermen in the vicinity of Philadelphia are getting ready to commence operations on the Delaware river, and should the weather be favorable at the close of this week, or the beginning of next, we may look out for that luxury—Delaware shad. There has been a plentiful supply of Southern shad in our market. They sell at prices ranging from two to three shillings each, according to size and quality.

A CENTENARIAN.—An Erie paper says there is living in that county a woman named Barnes, who is one hundred and five years old. She is the widow of a Revolutionary Pensioner, and now receives a pension. Her husband was in service as teamster at the Battle of Bunker Hill. She remembers well the history of the Revolution, and was in Boston at the time of the famous Tea Party. She is a smart old lady, retaining her physical and mental powers to a remarkable degree; and is quite fond of talking about old times.

BEFORE THE MAYOR.—The only offender before the Mayor this morning was a disorderly Teuton who, while under the influence of the delectable beverage known as lager beer, became uproarious and amused himself by throwing stones through the windows of the "Seven Stars" tavern. After spending an uncomfortable night in the damp and dismal lock-up, he paid his fine this morning and was discharged. The conduct of this fellow furnishes another practical demonstration of the fact that lager will intoxicate.

STEAM FIRE ENGINES.—As we are to have a steamer in this city shortly, our citizens may be interested to know something about the capacity of these machines. The other day the Philadelphia Hibernia Steam Engine was tested at the Walnut street wharf. The supply of water was drawn from the river through a single ten inch suction. With a one and three-eighth inch nozzle, water was thrown three-hundred and five feet; and with an inch-and-a-half nozzle, two hundred and ninety-five feet! The "friendly boys" say that the steamer ordered by them, now nearly completed, will prove fully equal to the Hibernia in capacity. We shall see when the trial of the "Marion Verbeke" takes place.

BOYS AND TOBACCO.—A sensible writer administers a wholesome dose to boys who use tobacco. Indulgence in the filthy weed has utterly ruined thousands of boys, inducing a dangerous precocity, developing, softening and weakening of the bones, and greatly injuring the spinal marrow, the brain, and the whole nervous fluid. A boy who early and frequently smokes, or in any way uses large quantities of tobacco, never is known to make a man of much energy of character, and generally lacks physical and muscular as well as mental energy. We would particularly warn boys who want to be anything in the world to shun tobacco as a most baneful poison. It injures the teeth, produces a morbid condition of the throat and lungs, compromises the stomach, and blasts the brain and nerves. Those twelve years old specimens of Young America who strut about the streets at the hind end of a long line, ought to be regularly spanked and put to bed by their mammas.

THE FLAG OF THE AMERICAN UNION.—A few days since Judge William Lawrence, of Logan county, Ohio, caused the following order to be entered upon the journal of his Court: "It is hereby ordered that the Sheriff of Logan county be, and hereby is directed to give to the Court, to erect upon the dome of the Court House in Bellefontaine, a suitable standard, with the flag of the American Union, and the same shall there remain during the sessions of this Court, as an evidence of devotion to the Constitution, the Union, and the enforcement of the laws."—Exchange Paper.

FLAG UPON OUR NEW AND HANDSOME COURT HOUSE.—We hope the Judges of Court, at the coming term, will have the patriotism, and the honor of the "old flag" sufficiently at heart, to follow the example of Judge Lawrence, and make a similar order. We believe such action would be generally approved. Then let the "star spangled banner" wave over our beautiful Temple of Justice.

WENT TO WASHINGTON.—Gen. Cameron left this morning on his return to Washington.

A STATED MEETING of the Faxon Hose Company will be held in their room this evening at half past seven o'clock. Punctual attendance is required.

COL. A. J. HERR, of this city, has been selected to write the Prologue for the Diagonthean Society of Franklin and Marshall Colleges.—These exercises, we believe, commence about the first of June, and are of an unusually entertaining character.

OPENING OF MARKET.—Under the new ordinance recently adopted, the market will not open until five o'clock to-morrow morning. Persons who buy any article before the hour designated, will render themselves liable to a fine of one dollar for each and every offence, and costs of suit. The ordinance is a good one, and if properly enforced will put a stop to hotel keepers, small retailers and hucksters purchasing produce at wholesale before the mass of our citizens get to market, as has been the case for years past. The people expect the new Market Master to be active and vigilant in the discharge of his duties, and see that all the market regulations are strictly complied with. We hope and believe he will not disappoint public expectation.

TWO FIRES.—Yesterday afternoon a frame building occupied by a colored family, located on the Cumberland Valley Railroad below Third street, took fire accidentally. The alarm was sounded by the Friendship bell and promptly responded to by the firemen, who in a very short time succeeded in arresting the progress of the flames. The family succeeded in getting out their furniture, some of it, however, in a damaged condition. About twelve o'clock last night an uninhabited frame shanty on the canal near the lower winding bridge, was fired by some person or persons, and the ringing of the engine and Court House bells soon brought out the various fire companies and a large crowd of citizens. In less than twenty minutes after the first alarm, and before we reached the scene of conflagration, the building was entirely consumed. We hope the fellows who applied the incendiary torch to this old shanty, by way of amusement, may be detected, arrested and punished.

SPRING IS COMING.—We copy from Mr. Griswold's "Poets and Poetry of America," the following beautiful stanza. It is from the pen of a man who has been deaf and dumb from childhood. Who that speaks or hears can sing in more harmonious numbers?
Spring is coming! Spring is coming!
Birds are chirping, insects huming,
Flowers are peeping from their sleeping,
Streams are sparkling from Winter's keeping
In delightful freedom rushing,
Dance along in music gushing;
Some are in the garden radiance,
Some in animation glancing,
All is beauty, all is mirth,
All is glory upon earth.
Shout to them with Nature's voice,
Welcome Spring! Rejoice! Rejoice!

THE WHITEWASHING SEASON.—The season for white-washing having arrived, the following directions for making in-door whitewash will just come in play. Those who have used the mixture pronounce it the best ever produced. For a moderate sized house, say eight rooms, about thirty-three lbs. Paris white, and one lb. best white glue are needed. Dissolve the glue in hot water; also make a thick wash with the Paris white and hot water, and add the dissolved glue and sufficient water to make the wash of the proper consistence. As the mass stiffens over night it is better to mix each morning what is wanted during the day. If left over night, warm, or add hot water to make it limpid. The Paris white is chalk cleansed from its impurities, and is only a very pure whitening—better than is ordinarily used for making putty. Some use the Cooper glue, which is considered the best, but any good white glue will answer. It costs about fifty cents per lb. at retail, and the Paris white three cents per lb. Both articles can be obtained in almost every city or village. The above makes an excellent whitewash, clean and white, and not easily rubbed off. Its first cost is more than lime wash, but it is more durable, and for nice rooms it is far preferable.

PAINTFUL CASE OF HYDROPHOBIA.—DEATH OF A LITTLE GIRL.—The Lancaster Express says that "on Friday evening last the village of Mountville, in that county, was thrown into much excitement and surprise by the report that Frances Marks, a girl of fourteen years of age, manifested symptoms of hydrophobia. On investigation the report proved only too true, the symptoms showing themselves in an unmistakable manner, and which gradually increased until Sunday evening, when death released the unfortunate girl from her sufferings. It appears that during the night about six weeks since, Frances and her sister Lizzie were going to or returning from a neighbors, when they were attacked by a dog and bitten severely. No suspicion was entertained at the time that the dog was rabid, from the fact that the attack seemed directed to a dog which was with the girls at the time. On Friday evening, however, the fearful truth became apparent as the symptoms gradually developed themselves. The sufferings of the unfortunate girl were intense, the frightful convulsions and distortions peculiar to the dreadful malady showing themselves through its various stages. Frances, however, bore her sufferings with fortitude and resignation, and died in the conviction that she was about entering the world where suffering was unknown. Lizzie, the sister, had not, up to the latest accounts, exhibited any symptoms of the disease, and it is hoped that she will escape the dreadful fate of her sister."

IN this connection we may mention a rumor, now in circulation to the effect that on Saturday last five children were bitten by a dog supposed to be mad, on Fifth street in this city. We sincerely hope there is no foundation for the report.

SEVERE PENALTY.—We give the following extract from the Penal Code for the information of the "fancy" who delight in bloody heads and damaged countenances. It will be seen that the full extent of the law is dealt out to them. Upon conviction, the punishment is by no means of a light character:
"If any person shall unlawfully and maliciously inflict upon another person, either with or without any weapon or instrument, any grievous bodily harm, or unlawfully cut, stab or wound any other person, every such person shall be guilty of misdemeanor, and being convicted thereof, shall be sentenced to pay a fine not exceeding one thousand dollars, and to an imprisonment either at labor by separate or solitary confinement, or to simple imprisonment, not exceeding three years."

IN MEMORIAM.—At a meeting of the Alumni of the Pennsylvania Female College, held April 1st, 1861, the following resolutions were offered and unanimously adopted:
WHEREAS, It is met that we, the Alumni of the Pennsylvania Female College, should give some expression to the deep grief with which we have heard of the loss of our teacher and friend, Rev. Beverly B. WAUGH. Therefore,
Resolved, That in this distressing calamity we have lost one who was not only nobly and peculiarly fitted for the high position which he occupied in the College, but who was endeared to us by many pleasing associations and tender recollections.
Resolved, That not alone will the College mourn the departure of this, our friend, but the whole community, of which he was an esteemed and valued member, deeply deplore with us his untimely death.
"The hand of the reaper
Takes the ears that are hoary;
But the voice of the weeper
Wails manhood in glory.
Like the dew on the mountain,
Like the foam on the river,
Like the bubble on the fountain,
He is gone, and for ever."
Resolved, That we truly sympathize with the relations of the deceased in their sad affliction, but cannot fully express our heartfelt sorrow. May we bid them look unto Him who hath smitten them, and say with him for whom they weep, "Ye, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me, thy rod and thy staff they comfort me."
Resolved, That a copy of these proceedings, duly signed by the officers of this Association, be sent to the family of the deceased.
By order of the President.

PARDON EXPLAINED.—Our remarks in yesterday's TELEGRAPH on the pardon of Mrs. Welty have brought to light the pardon itself, and the reasons why the Governor's clemency was exercised. From this it will be observed that the document was obtained on the strongest recommendations of prominent citizens of this city—eminent Physicians, the President Judge and District Attorney. If any error was at all committed, it cannot be properly charged to the Governor, who must necessarily rely on others for information on such subjects. Read the subjoined document, which will explain itself:
