IT WILL RESTORE THE WEAK. EINSTATE THE BLOOD IN ALL ITS ORIGINAL VIGOR AND PURITY.

PROF. O. J. WOOD'S

# RESTORATIVE CORDIAL,

BLOOD RENOVATOR.

Is precisely what its name indicates; for, while pleasante the taste, it is revivilying, exhilarating and strengthening to the vital powers. It also reviviles, relustates, and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all.

all.

So chemically and skillfully combined as to be the most powerful tonic, and yet so perfectly adapted as to act in perfect accordance with the laws of nature, and hence soothe the weakest stomach, and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly exhibitanting in its effects! and yet it is never followed by lassitude or depression of spirits. It is composed entirely of vegetables, and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure. As a sure preventive and cure of

MOTHERS, TRY IT!

And to you we appeal, to detect the illness or decline not only of your daughters before it be too late, but also your sons and kusbands, for while the former from false delicacy, often go down to a premature grave, rather than let their condition be known in time, the latter are so often mixed up with the excitement of business, that if it were not for you, they too, would travel in the same downward path until it is too late to arrest their fatal fall. But the mother is always vigilant, and to you we condently appeal; for we are sure your never-failing affection, will uncertnigly point you to Professor WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR as the remedy which should be always on hand in time of need.

Read what the Press say after thoroughly testing the matter, and no one can have a doubt.

PROF. WOOD'S RESTORATIVE CORDIAL.—It is received in classics that Payche was once sent to a climate warmer than the West Indies to procure a sample of the beauty of Proserpine in a box. After some cleary the messenger returned, and as soon as the lid of the box was removed out flew all the list that fiesh is helr to.—Fortunately hope was found in the bottom of the box. Prof. Wood's Restorative Cordial revives the recollection of the story, for it invigorates the blood, adds the organs of digestion, imparts strength to the nervous system, and for lifes the citadel of health, so as to bid defiance to the assaults of disease. PROF. WOOD'S RESYROATIVE CORDIAL and BEOOD RENOVATOR is, without doubt, the best Tonic Cordial in the world.
