CHANCE FOR BARGAINS .- See the advertisement of Mr. Trewick, who is selling off his stock of grocerles, queensware, liquors, &c., at should attend the sile.

Anotaer MAD Doo was killed on the public road about one mile this side of Highspire, yesterday afternoon. It is feared that the rabid animal may have bitten other dogs, and also cattle, in its progress through that section of the county.

THE PRESDYTERY OF CARLISLE will meet in the Old School Church this evening at half past seven o'clock. After the preaching of the opening sermon, the organization will be effected by the election of a Mederator. The public are invited to attend upon any or all of the religious exercises, or the deliberations of Presbytery.

OUR CONGRESSIONAL DISTRICT. -By the apportionment bill reported to day, Dauphin and York counties, and the township of Lower Mahanoy, in Northumberland county, constitute a Congressional district. As a general thing the bill is a fair one, and will no doubt be passed without delay as it came from the com-

The result was that John went to prison for twenty-four hours, and will come out a sober if not a wiser man.

MUSIC HATE CHARMS.—Woure indebted to our friend, Mr. Knoche, the popular music dealer, for several new and popular pieces, among the number the "Avant March," the "Swinging Polka," and a patriotic song by Mrs. Thomas Coleman, entitled "Save the Union," which has been sung repeatedly with gleat success at the People's Concerts in Philadelphia. These, with all the popular music of the day, and musical instruments of every variety, may be obtained cheap at Mr. Knoche's store, No. 93.

Where they cannot sell goods they leave them, taking a pretended certificate for the same, to hold until they call for the goods. It turns out that the certificates are legal notes, which the pedlers holding them dispose of in the neighborhood and then slope. Several farmers in this county have been victimized by these sharpers.

.HOBBERY AND ATTEMPTED MURDER. -A few nights ago the house of Mr. Joseph Rosenberger, in Montgomery county, was entered by three persons, who proceeded to search the same, in the hope, it is supposed, of finding money. In the course of their explorations, they reached the room in which Mr. Rosenberger was sleeping, and awakened him by the noise made by opening the door leading into the apartment. Mr. R. leaped up and attempted to seize the in-\*ruders, who immediately fled, one of them first disch arging a pistol at the owner of the premises, the and from which fortunately passed little child lying roon the bed, inflicting a se-

TESTIMONIAL TO CAPT. BRADY. - Captain Brady, the popular and efficient Librarian of the Senate, was this morning the recipient of a handsome cane, at the hands of two of the Transcribing Clerks. This was a deserving and appropriate mark of respect, and though an humble tribute, will be appreciated and worn by him as the representative of a richer and more valued friendship. Let it be to him a steps down the declivity of life.

THE SWISSHELM DIVORCE CASE.—In the matter of the application of James Swisshelm, for a divorce from Jane G. Swisshelm, a final decree allowing the application was made in the Court of Common Pleas, of Allegheny county, on Saturday. Mrs. Swimhelm formerly edited the Saturday Visitor, at Pittsburg, and is now editing the St. Cloud Visitor, Minnesota, a sprightly and interesting sheet. Family differences, with the nature of which the public are already sufficiently familiar, induced her to leave her husband, whereupon a petition for divorce on the ground of desertion was filed, and a decree to that end allowed on Saturday, as stated

THE MILITARY FORCE AND ARMS OF PENNSYL VANIA.—From an official source, we learn that the whole number of organised volunteer companies in this State is about 500, averaging about 40 men to a company, making an aggregate of over 20,000 uniformed volunteers. The entire military force of the State is about 855,000 men capable of military duty. The arms of the State are all in the possession of the volunteer companies, and comprise 12,080 muskets, 4,706 rifles, 2,809 cavalry swords and sabres, 3,147 piatols, 69 pieces of ordnance, being six pound bronze cannon. Of the above there are only about 2,600 muskets of the new model, 1,200 improved rifles, and 500 cavalry swords.

The balance are unfit for active service, being mostly of the heavy old flint lock. The 69 pieces of ordnance are in good condition, with the exception of the carriages. From the above it will be seen that the volunteers of the State have but 4,200 effective small arms, leaving an actual deficit for them alone of 14,800. No arms him, but unfo. tunately entered the side of his are furnished to the militia by the State itself. All that are now issued to the militia are furrious and perhaps fata 1 wound. "Let those now seek, that never sought before, And those that always sought, now seek the more."
"Consider the liller of the valley; they toll not, neither do they spin, yet Solomon, in all his glory, was not arrayed like one of these. Blessed are they that get near the throne, for they shall be clothed in fine linen, and sleep on beds of saffron."
