SOMETHING MORE VALUABLE THAN SILVER OR GOLD,

BECAUSE

IT WILL RESTORE THE WEAK,
EINSTATE THE BLOOD IN ALL ITS ORIGINAL VIGOR AND PURITY.

IT IS

PROF. O. J. WOOD'S

RESTORATIVE CORDIAL,

AND

BLOOD RENOVATOR.

Is precisely what its name indicates; for, while pleasant to the taste, it is revivifying, exhilarating and strengthening to the vital powers. It also revivifies, reinstates, and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all.

So chemically and skillfully combined as to be the most powerful tonic, and yet so perfectly adapted as to act in perfect accordance with the laws of nature, and hence soothe the weakest stomach, and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly exhilarating in its effects! and yet it is never followed by lassitude or depression of spirits. It is composed entirely of vegetables, and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure. As a sure preventive and cure of

CONSUMPTION, BRONCHITIS, INDIGESTION, DYSPEPSIA, LOSS OF APPETITE, FAINTNESS, NERVOUS IRRITABILITY, NEURALGIA, PALPITATION OF THE HEART, MELANCHOLY, HYPOCHONDRIA, NIGHT SWEATS, LANGUOR, GIDDINESS, AND ALL THAT CLASS OF CASES SO FEARFULLY FATAL CALLED FEMALE WEAKNESS AND IRREGULARITIES.

THERE IS NOTHING ITS EQUAL.

Also, Liver Derangements or Torpidity, and Liver Complaint, Diseases of the Kidneys, or any genera derangement of the Urinary organs.

It will not only cure the debility following CHILLS and FEVER, but prevents all attacks arising from Miasmatic influences, and cure the diseases at once, if already attacked.

TRAVELERS should have a bottle with them, as it infallibly prevents any deleterious consequences following upon change of climate and water.

As it prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of sedentary habits.

LADIES not accustomed to out-door exercise, should always use it.

MOTHERS should use it, for it is a perfect relief. Taken a month or two before the final trial, she will pass the dreadful period with perfect ease and safety.

There is no mistake about it.

THE CORDIAL IS ALL WE CLAIM FOR

MOTHERS, TRY IT!

And to you we appeal, to detect the illness or decline not only of your daughters before it be too late, but also your sons and husbands, for while the former from false delicacy, often go down to a premature grave, rather than let their condition be known in time, the latter are so often mixed up with the excitement of business, that if it were not for you, they too, would travel in the same downward path until it is too late to arrest their fatal fall. But the mother is always vigilant, and to you we confidently appeal; for we are sure your never-failing affection will unerringly point you to Professor WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR as the remedy which should be always on hand in time of need.

Read what the Press say after thoroughly testing the matter, and no one can have a doubt.

PROF. WOOD'S RESTORATIVE CORDIAL.—It is recorded in classics that Psyche was once sent to a climate warmer than the West Indies to procure a sample of the beauty of Proserpine in a box. After some delay the messenger returned, and as soon as the lid of the box was removed out flew all the ills that flesh is heir to.—Fortunately hope was found in the bottom of the box. Prof. Wood's Restorative Cordial revives the recollection of the story, for it invigorates the blood, aids the organs of digestion, imparts strength to the nervous system, and fortifies the citadel of health, so as to bid defiance to the assaults of disease. It is a healthy tonic, composed entirely of vegetable productions and while it is exhilarating as pure wine, no injurious results can possibly follow its use It is a desideratum in the medical world, and those who are afflicted with loss of Appetite, Dyspepsia, Consumption, Faintness, Giddiness, Neuralgia, Palpitation of the Heart, &c., will here find an infallible panacea. "St. Louis Daily Express."

PROF. WOOD'S RESTORATIVE CORDIAL and BLOOD RENOVATOR is, without doubt, the best Tonic Cordial in the world. To those who are suffering from general debility we would recommend its use; for, while it is pleasant to the taste, it is strengthening to the system, and will at once tend to remove all impurities of the blood, and eradicate all traces of disease. It can be taken by the weakest stomach, while those in good health will at once feel its exhilarating power. We are confident that after using one bottle of this cordial none will be for a day without it.—"New York Leader."

A PURE, HEALTHY TONIC, and one free from the deleterious and injurious effects so to fellow those in ordinary use, has long been felt to be a desideratum in the medical world. Such a tonic, and one so skillfully combined from the vegetable kingdom as to act in perfect accordance with the laws of nature, and thus soothe the weakest stomach, and at the same time allay nervous and other irritations, and tone up all the organs of which the human body is composed, is offered in Prof. Wood's Restorative Cordial and Blood Renovator. Hence, it is perfectly adapted to old and young. Reader, try it. Thousands have already done so, and the testimony is universal in its favor.—"New York Atlas."

PROFESSOR WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR, for the cure of General Debility, or Weakness arising from any cause, also Dyspepsia, Nervousness, Night Sweats, Incipient Consumption, Liver Complaints, Biliousness, Loss of Appetite, Female Weakness, in all its stages, also, to prevent the contraction of disease, is certainly the best and most agreeable cordial tonic and Renovator ever offered to the afflicted, and so chemically combined as to be the most powerful tonic ever known to medical science. Reader, try it. IT WILL DO YOU GOOD. We have no hesitation in recommending it, since we know it to be a safe, pleasant, and sure remedy for the diseases enumerated.—"New York Dispatch."

Before noticing a patent medicine, we have to be certain that it will prove itself to be all that it is recommended. And we would say that the Restorative Cordial and Blood Renovator of Prof. Wood will stand the test fully, and, in fact, it is without any doubt the first article in market for purifying the Blood and strengthening the system. We have no hesitation in recommending its use to all.—"The New-Yorker."

LOOK TO YOURSELF IN TIME.—How many in consequence of a false delicacy suffer from suppressed, painful, or obstructed mensuration, and think because they are young that by-and-by nature will work itself clear from obstructions, and all come in right in the end, little dreaming that the seeds of death are already germinating in the system, because the vital energies are impaired, and the entire animal economy deranged, debilitated; and yet, careless of themselves as they are, if a remedy were set before them which would restore all the functions of the system, and reinvigorate the body, they would take it, and thus be in time to save their lives.—Parents, think of this, and at once give them a bottle of Prof. Wood's Restorative Cordial and Blood Renovator.—"The New York Courier."
