Ayer's CATHARTIC PILLS.

REYOUSICK, feeble and complaining?
Are you out of order, with your system deranged, and your feelings uncombrable? These symptoms are often the prelude to serious likes. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered humors—purify the blood and let the fluids move on unobstructed in health again. They stimulate the isnotions of the body into vigorous activity, purify the system from disease. A cold settles somewhere in the body, said obstructs its natural functions. They stimulate the isnotions of the body into vigorous activity, or in the dody, said obstructs its natural functions. The dose must be daspt the individua taking it, and the individua taking it, and set of the individua taking it, and used in such quantities as the disease. While in this condition, oppressed by the derangements and with the last two year. Other in the strivial and common complaint, is also suparent in this trivial and common complaint, is also by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of the many of the deep-seated and dangerous distempers. The same purgative effect expols them.

Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pilis, will neglect to employ them when suffering from the di-orders they cure.

Dr. Ayre: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grisviouity afflicted with blotches and pimples on her skin sind in her hair. After our child was cired, she also tried your Pills, and they have cired her.

ASA MORGRIDGE.

AS A FAMILY PHYSIC. [From Dr. E. W. Cartwright, New Orleans]

Your Pilis are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which make them invaluable to us in the daily treatment of disease.

[From Dr. Theodore Bell, of New York City.] Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of Rilous Complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb. 1856. washington, D. C., 7th Feb. 1866. Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathertic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangement of that organ. Indeed, I have seldom found a case of Billous Disease so obstinute that it did not readily yield to them. Fraternally yours,

ALONZO BALL, M. D.,

Physician of the Marine Hospital.

DYSENTERY, DIARRHORA, RRIAY, WORMS. [From Dr. J. G. Green, of Chicago.]

Your Pilis have had a long trial in my practice, and I hold them in esteam as one of the best sperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doese for Billeus Dysentery and Diarrhosa. Their sugar-coating makes them very acceptable and convenient for the use of women and children. DYSPERSIA, IMPURITY OF THE BLOOD.

[From Rev. J. V. Himes, Pastor Advent Church, Boston Dr. Aven: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very beat remedy I have ever known, and II can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1856.

Daar, Siz: I am using your Cathartic Pills in my pratice, and find them an excellent purgative to cleanse the system and purify the foundains of the blood.

[From Dr. J. P. Vaughn, Montreal, Canada.]

Too much cannot be said of your Pills for the cure of Costiveness. If others of your fraterpity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe Costiveness to originate in the liver, but your Pills affect that organ and ours the disease.

From Mrs. E. Stuart, Physician and !Midwife, Boston.]
I find one or two large doses of your Pills, taken at the
proper time, are excellent promotives of the Natural
Scoretion when wholly er partially suppressed, and also
very effectual to change the stomace and exper worms.
They are so muck the best physic we have that I recommend no other to my patients.

HONORDED SIR: Lahould be ungrateful for the relief your akili has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating Neuralgic Pains, which ended in Chronic Rheumatism. Notwithstanding I had the best of physicians, the disease grew wo se and worse, until by the advice of your excellent agent in Baltimore, Dr. Makenzie, I tried your Fills.
