CATHARTIC PILLS.

A RE YOU SICK, feeble and complaining?
Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered humors—purify the blood and let the findis move on unonstructed in health again. They stimulate the functions of the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the body, and obstructions and derangements of the natural section of the system, and with it the principal cities, and from other well known public per some.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. From a Forwarding Merchant of St. Louis, rep. 2, 1806. Dr. Ayra: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grieviously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

[From Dr. E. W. Cartwright, New Orleans] Your Pil's are the prince of purges. Their excellent qualities surpass any cathertic we possess. They are mild, but very certain and effectual in their action on the bowels, which make them invaluable to us in the daily treatment of disease.

Dear Bro. Aver: I cannot answer you what com-plaints I have curred with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I or course value them highly.

Bilious Disorders.-Liver Complaints. From Dr. Theodore Bell, of New York City.]

Not only are your Fills admirably adapted to their purpose as an aperiest, but I find their benedicial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of Billous Complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the records. (From Dr. Theodore Bell, of New York City.)

Washington, D. C., The Feb. 1856. J
Sir: I have used your Pills in my general and hospital
practice ever since you made them, and cannot hesitate
to say they are the best cathertic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangement
of that organ. Indeed, I have seldom found a case of
Billous Disease so obstinate that it did not readily yield
to them. Fraternaby yours. to them. Fraternally yours,

DYSENTERY, DIABRHOFA, RELAX, WORMS. [From Dr. J. G. Green, of Ohicago.]

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small closes for Bileus Dysontery and Liurhoza. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

TO STRANGERS.

The many thousands cured at this Institution within the last twelve years, and the numerous important. Surgical operations performed by Dr. J., winnessed by the reporters of the papers, and many other persons, notices of which have appeared again and again before the public besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afficient.

DISHASES OF IMPRUDENCE—When the misguided and imprudent votary of pleasure finds he has imblued the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery determing from applying to those who, from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, affecting the head, throat, nose, skin, exprogressing on with frightful rapidity, till death puts a period to his dreadful suiferings by sending him to "that bourne from whence so traveler returns." It is a metuacholy fact that thousands fall victims to this terribic disease, owing to the unstillulness of ignorant pretenders, who, by the use of that deadly poison, mercury, ruin the constitution and make the residue of lite miserable.
