### Ayer's CATHARTIC PILLS

Are you site, feeble and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? The cosymptoms are often the prelude to zerious liness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered humors—purify the blood and let the fluids move on unoostructed in health again. They stimulate the theuctions of the body into vigorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer s Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the di orders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public per sons. RE YOU SICK, feeble and complaining?

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her han is and feet that had proved inourable for years. Her mother has been long grieviously afflicted with blotches and pimples on her aim and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

## Holland Bitters

DYSPEPSIA, Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-galion kee, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture.

But the really great relief derived from the minute dose, one tenspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS, and the entire absence of after prostration, has esta-blished for it a reputation which the host of imitations and counterfelts have falled to undermine. It is seen tively a vegetable preparation, with barely sufficient pure spirits to preserve it.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedly regim its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result.
