Ayer's

CATHARTIC PILLS

ARE YOU SICK, feeble and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleans tout the disordered humors—purify the blood and let the fluids move on unobstructed in health again. They stimulate the fauctions of the body into v igorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's Fills, and see how directly they restore the natural action of the system, and with it is recompliant, its also apparent in this trivial and common complaint, is also pers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Fills, will neglect to employ them when suffering from the di orders they cure. Statements from feading physicians in some of the principal cities, and from other well known public per sons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. DR. ATER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her han is and feet that had proved fidqurable for years. Her mother has been long grieviously afflicted with blotches and pimples on her sain and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

AS A FAMILY PHYSIC, [From Dr. E. W. Cartwright, New Orleans] Your Pil's are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which make them invaluable to us in the daily treatment of disease.

HEADACHE, SICK HEADACHE, FOUL STOMACH. [From Dr. Edward Boyd, Baltimore]

DEAR BRO. ATER: I cannot answer you what com-plaints Lihave curren with your Fills better than to say all that we ever treat with a purpative medicane. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Fills afford us the best we have, I of course value them

highly.

PITTSBURG, Pa., May 1, 1855.

DR. J. C. AYER—Sir: I have been repeatedly cured of the worst headach anybody can have, by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect,

ED. W. PREBLE,

Clerk of Steamer Clarion.

BILIOUS DISORDERS .- LIVER COMPLAINTS.

[From Dr. Theodore Bell, of New York City.] Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of Billious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb. 1856. Washington, D. C., 7th Feb. 1856. j
Sir: I have used your Pills in my general and hospital
practice ever size you made them, and cannot hesitate
to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangement
of that organ. Indeed, I have seldom found a case of
Pillous Disease so obstinate that it did not readily yield
to them. Fraternally yours,
ALONZO BALL, M. D.,
Physician of the Marine Hospital.

DYSENTERY, DIABRHOKA, RELAX, WORMS. [From Dr. J. G. Green, of Chicago.]

Your Fills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for Biltous Dysentery and Ditrrhoza. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

DYSPRESIA, IMPURITY OF THE BLOOD. [From Rev. J. V. Himes, Paster Advent Church, Boston. Dr. Ayrs: I have used your Fills with extraordinary success hi my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. Himss.

Warsaw, Wyoming Co., N. Y., Oct. 24, 1856.

Diar Sir: I am using your Cathartic Fills in my pratice, and find them an excellent purgative to cleanse the system and purify the foundains of the blood.

[From Dr. J. P. Vaughn, Montreal, Canada.]

Too much cannot be said of your Pills for the cure of Costiveness. If others of your Paternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although had enough in itself, is the progenitor of others that are worso. I belive Costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your pills, taken at the proper time, are excellent promotives of the Natural Secretion when wholly or partially suppressed, and also very-effectual to CLEANSE the STOMAGE and EXPEL WORMS. They are so much the best physic we have that I recommend no other to my patients.

BERHAVE'S

Holland Bitters

DYSPEPSIA, Liver Complaint, Fever and Ague, &c.

THE successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture.

But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS. RERHAVE'S HOLLAND BITTERS, and the entire absence of after progration, has established for it a reputation which the host of ministions and counterfeits have falled to undermine. It is nostively a vegetable preparation, with barely sufficient pure spirits to preserve it.

But one size of the gennine, (Half-Pint Bottles,) price ONE DOLLAR.

It is a medicine of long-tried efficacy for Partyring the Blood, so essential for the foundation of good health and for correcting disorders of the stomach and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, lowers and kidneys will soon take place, and renewed health be the quick result.
