By order. and Thursday evenings.

ATTENTION .- The Fifth Ward Home Guard will meet at the house of Patrick Jordan in North street on Tuesday evening the 14th inst., at 7 o'clock. Punctual attendance is required.

THE DOG LAW.—By reference to a notice in our advertising columns this evening, it will be seen that the dog law will be strictly enforced in our city, on and after the 15th inst.

Going to LEAVE.—The "Lashled Grays" of this city are making their final arrangements to leave "Camp Curtin," and will probably proceed to join their regiment (the Cameroniane) at Washington, to-night or to-morrow morning.

U. S. DEAGOONS.-A detachment of about fifty U.S. Dragoons, lately serving in Texas, strived here at noon to-day from the Carlisle Barracks, en route to Washington city via Philadelphia. They were armed with sabres, and Sharp's rifles, presenting a very formidable ap-

CONSTABLE OF THE FIFTH WARD .- The court this morning appointed Mr. Samuel S. Cole constable of the Fifth ward, in place of Mr. Carson, elected at the last election, but who declined to serve. The selection is a good one, and will go far to redeem the character of the constabulary force of that ward.

RIOT OVER THE CREEK.—A disgraceful riot occurred last night on the opposite side of Paxton creek, at the junction of the Jonestown and Reading turnpike, growing out of an attempt made to eject a negro out of a lager beer saloon in that locality. Three of the parties, named Bill West, Harris, and Shoop, the proprietor of the saloon, were arrested and confined in the Lockup. They had a hearing this morning before the Mayor, who fined each one dollar. which they paid and were discharged.

To Pass Through. -The gallant Major, now Colonel Anderson of Fort Sumpter fame, is expected to arrive here at noon to-morrow from New York, via the Lebanon Valley Railroad on his way to Louisville, Kentucky. The stay here of the gallant Colonel will necessarilly be brief, as the trains make close connections, yet there will be sufficient time afforded for our citizens to make some suitable demonstration in honor

for the full equipment of the army and navy-They have just completed a contract with the State of Massachusetts, for six thousand all wool blue mixed garments, neatly trimmed, and suitable for a warm climate. They have also produced the favorable style of military and for which they have already received very large orders.

CAMP CURTIN. - A large number of improvements have been made at Camp Curtin within the last few weeks, which add much to the health and comfort of the troops, as well to the convenience of the place for military pur-

Not the least important of these improve ments was the construction of a spacious building for hospital uses, and a large number of huts for the soldiers quarters. DASTARDLY OUTRAGE. - We have just heard the particulars of a recent transaction in this city, which in point of malicious rascality eclipses anything we have heard for a long while. Last Friday a respectable farmer residing near Shell's tavern, in East Hanover township, was the recipient of a letter from this city, informing him that one of his relatives here, a him to come on here and take her body to Han- morrow or Wednesday. over for interment.
