Pennsylvania Daily Telegraph, Tuesday Afternoon, May 14, 1861.

Where breathes the foe but fails before us With Freedom's soll beneath our feet, And Freedom's banner streaming o'er us

OUR PLATFORM. THE UNION-THE CONSTITUTION-AND THE ENFORCEMENT OF THE LAW. HARRISBURG, PA. Tuesday Afternoon, May 14, 1861.

or rise with them to glory if victory perches driven to the expediency of producing the proof upon their banners. The homes and the fireof its treason, and considers it "a waste of sides of the free and loyal states, esteem strength to bring out a whole park of artillery .to vanquish a tom-tit." Most wonderful conprecious that could be given to their counsideration, indeed | But in perfect keeping with the practices of the Patriot and Union. On the subject of its sympathy with treason, there were no two opinions in this community. Its the defence of the Union, are small in proporown friends were disgusted with its course, and tion, and dwindle into worthlessness when com. its own employees fled with indignation and pared to our contribution of men-our young alarm from the office, and enrolled in the ranks of the volunteers, to escape the odium of an association that had already attracted to them of the prosperity and glory of the land. the suspicion of the entire community. Our proof of this, was the storm that gathered around the office of the Patriot every morning -and if the editors of the Patriot doubt the extent of the crime of which they were guilty, let them reprint and reiterate and endorse the sentiments which drew down on them, the scorn and contempt of the community, and sault, and guide them to victories which would dignity which the Patriot assumes to hide its those who are arrayed in hostile attitude overtaken it in its course of ingratitude to its Derringer pistol -- with temptation keener patrons and treachery to its country. So far as than the sharpest sabre, and subtler than the we are concerned we neither fear its bluster, recognize its superiority, or admit that its editors are any better than the common camp followers of the old Democratic party, who have nently dissolved, than that the seeds of a vice always followed in its wake in quest of plundin drunkenness should be sown, by which ensr, and who were as conspicuous in its overtire races of men would be destroyed; for throw as they were prominent in the first treawhat is liberty without the moral sense to enson which followed after the destruction of that oy its blessings ?

organization. The world knows this to be true. The people of Pennsylvania feel on whom to

WE MUST BE VIGILANT. force the responsibility of the treason that has We have seen and heard enough, lately, to called them from their homes and business, and which is exhausting millions of dollars to curb convince us that there yet remains lurking and suppress. That treason is as different in the our midst, sufficient jealousy and sympathy south and the north, as are the latitudes and beget the worst treason. We have hear climates in both sections. In the north it is enough, lately, to remind us that eternal vig the struggle of such men as those who preside lance is the price of liberty, and in no other over the columns of the Patrict to keep their contest that the world has ever witnessed, he places and their pay." In the south, it is the the principle of liberty been involved to struggle of a wild and fearful fanatacism, for great an extent, as in that great struggle the barbanity by which they exist, and the ex. which we are now engaged. The men with Cosses by which they are fast exhausting all whom we are about to engage through the their resources. This is the slight difference own provocation, are the worst enemies the between these foes of the country. Instead have ever assailed freedom. They hate the of proposing to fight the masses of the north, very name of liberty, despise its injunction and spending millions for that purpose, Jeff and ridicule its solemn lessons of duty one Davis would accomplish more were he to use the other. The rights which this liberty gua his funds in the purchase of such of his secret so teed to labor, when the laboring men sympathisers as are gathered about the Patriot 1776 struck for its establishment and recogn

THE SECRETARY OF WAR.

OUR YOUNG MEN. The call of the President for troops has The Sunday Mercury of the 12th instant, thus brought forward the flower of the young men manfully refers to the position of Gen. Cameof the country. From every profession, from ron, the Secretary of War. It is well underof the country. From every procession, nomination, the becretary of war. It is well under-all pursuits, from the haunts of pleasure, the stood in Washington, that between Gen. Scott retreats of science and art, from the acadamies of learning, the abodes of piety—from all parts of learning, the abodes of piety—from all grades of society, the best and the present for a great many years. During the best and the noblest and the bravest of our young men have sprang to arms for the de-form of the country I. The world here members, and Haro for the barren of th fence of the country ! The world has never Hero, for the purpose of promoting over his presented such a spectacle of youthful ardor head a favorite of their own, Gen. Cameron business community will not permit the banks joining their zeal to veteran devotion in a com- defended and sustained Gen. Scott, and with a mon cause. Rome in her palmiest days, when host of others, was instrumental in securing for her young nobility filled her armies with the him the vindication of his government, as well brilliancy of their titles and escutcheons, did as the full support and approbation of the peonot equal the splendor of the army which is ple. The friendship that has grown out of gathering to the national capital, brilliant that transaction, is therefore of the strongest with youth and glittering, not with empty nature between these two veterans, the one the titles or gilded escutcheons, but with the dig- champion of his country on the field of battle, upon it. Here is the bill :--nity moral worth and the rectitude of a and the other her stay and support in the halls SUPPLEMENT to an Act for the equalization of glorious cause. These young men are the of legislation and the cabinet.

pride and boast of the country. The hearts The extract from the Mercury is a just and which have given them up to duty, will follow | frank acknowledgement of the claims and serthem in the war-path-will be with them in vices of one of Pennsylvania's most distinguishthe smoke of battle, fall with them in death, ed and eminent citizens:

Representatives of the Commonwealth of Pennsylv varia, in General Assembly met, and it is hereby enacted by the authority of the same, That the banks Pennsylvania should be proud of her repre-sentative in the cabinet. Much regret was expressed at the time of the formation of the Ministry, that General Cameron was not assignthese offerings of their young men-their ed to the Treasury Department; but the progress sons and brothers-as the richest and most of events has demonstrated that as a war minister the Pennsylvanian is "the right man in the right place." He has had a vast and varied experience as a practical "business man, and try. The millions of money which they have contributed, and the millions more, even his most determined opponents concede which they are ready and willing to spend for that he posseses rare administrative energy and the defence of the Union, are small in proportact. Unlike the war secretaries who have preceded him, Cameron gives due weight to the wise suggestions of the Lieutenant General, and does not attempt to interfere with the plans matured by the military genius whom we should certify to the Governor, under oath or affirmation of the president, that they have just reason to believe that any bank included men-the present embodiments of our power and greatness, and the future representatives are fortunate in having at the head of our forces. The long tried patriotism, sagacity and skill of Scott are fully appreciated by the pres-ent administration. But there is an immense We honor these young men. We esteem amount of business to be transacted by the War them beyond the more expression of empty Department, at a time when armies are to be compliments and burdensome laudations, and created out of a population lately absorbed in therefore we are solicitous for their reputation the avocations of peace-when men are to be and fame. Had we the power, we would shield chosen for posts of honor and peril, and the treacherous servants of the government are to them from all danger, guard them from all asbe detected and dismissed before they can damreported sound and solvent by such commissault, and guide them to victories which would age the interests of the country. Cameron crown them with eternal glory. To such as displays decision, promptitude and circomspecsion; and the period for the resumption of specie payments by the banks of this Commonder the late law, by any Dauphin county jury of twelve honest men. All this pomposity and der the set other enemies around them, besides there are other enemies around them, besides The Secretary will county in the set of the secretary will count and the secretary will be secretary will wealth is hereby extended until the second men who have been educated at the expense of guilt, cannot conceal the terror which had against their country. They are beset with the nation and who now wish to transfer their services to the cause of treason and despotism vices more deadly than a Dhalgren gan, or a He dismisses the traitors with the mark of in amy which will rest upon their names forever. Upon the whole, we think, the government is swiftest bullet. Avoid all these, and crown fortunate in possessing so valuable and efficient yourselves with unblemished glory. Far bet- a Minister of War, and we are glad that Peonswiftest bullet. Avoid all these, and crown sylvania has contributed him to the service of ter would it be for the Union to be permathe country.
