Mr. EDITOR :-- Camp Currin is to-tasy the best organized camp in Pennsylvania. Col. Geo. Burkhardt, J F A. C. Sieler, Assistant Adjutant General, came Burnite, D C Brangan, Wm A. C. Sieler, Assistant Adjutant General, came in command on Thursday last, and in this short time has inaugurated thorough military disci-pline, and so tar perfected his arrangements as to maintain good order night and day. The Colonel has shown himself to be just the man Camp Curtin needs. His command is com manded by all and his shifty as an officiar is mended by all, and his ability as an officer is beyond a question. He looks as well to the moral as to the physical welfare of the soldiers. Through his influence arrangements have been made for preaching every evening at 7 o'clock, by Capt. John M'Cauley, of the Susquehanna County Volunteers, which affords a pleasant as well as profitable entertainment. He is not alone in his efforts to make things pleasant and comfortable for the soldiers. Col. R. H. Col. Sieler is very much relieved in the discharge of his arduous duties by the energy and activity of his Adjutant, T. S.
