Ayer's

CATHARTIC PILLS.

ARE YOU SICK, feeble and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? The esymptoms are often the prelude to serious illness. Some it of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Aper's Pills and cleanse cut the disordered humors—arrify the blood and let the fluids move on uncostructed in health again. They silmulate the functions of the body into vigorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructs its natural functions. The se, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distimpers. The same purgut we effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cared by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the di orders they cure.

Statements from feading physicians in some of the principal cities, and from other well known public per sons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. DR. AYER: Your Fills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her han is an ofeet that had proved incurable for years. Her mother has been long grieviously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Fills, and they have cured her.

AS A FAMILY PRYSIC

[From Dr. E. W. Cartwright, New Orleans] Your Pils are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mid, but very certain and effectual in their action on the bowels, which make them invaluable to us in the daily treatment of disease.

HEADACHS, SICK HEADACHE, FOUL STOMACH. [Frem Dr. Edward Boyd, Baltimore]

Dear Bro. Aver: I cannot answer you what com-plaints I have cured with your Pilis better than to say all that we ever trea! with a purgative medicine. Yours with great respect, ED. W. PREBLE, Clerk of Steamer Ciarion. BILIOUS DISORDERS.-LIVER COMPLAINTS.

[From Dr. Theodore Bell, of New York City.] Rot only are your Fills admirably adapted to their purpose as an aperient, but I that their beneficial effects upon the liver very marked indeed, they have in my practice proved more effectual for the cure of Billous Complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best catherfic we employ. Their regulating action on the liver is quick and decided consequently they are an admirable remedy for derangement of that organ. Indeed, i have seldom found a cuse of Billous Disease so obstinate that it did not readily yield to them. Fraternally yours,

DYSENTERY, DIARRESEA, RELAX, WORMS. [From Dr. J. G. Green, of Chicago.]

Your Pills have had a long tr al in my practice, and I hold them in esteem as one of the best sperients I have ever found their alterative effect upon the liver makes them an excellent remedy, when given in small noses for Billeus Dy-entery and Distribute. Their sugar-coating makes them very acceptable and convenient for the use of women and children.
