CATHARTIC PILLS. ARE YOU SICK, feeble and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the preduct to serious illness. Some fit of sickness is now responsed to the right remedy. Take Ayer's Pilis and cleanse out the disordered humors—jurify the blood and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructs is natural functions. These, find relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer s Pilis, and soe how directly they restore the natural action of the system, and with it he body, and the finding of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous disturbed by similar obstructions and derangements of the matural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pilis, will neglect to employ them when suffering from the di-orders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public per some.

From a Forwarding Merchant of St. Louis, Peb. 4, 1858. Dr. Ayea: Your Fills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved indurable for years. Her mother has been long grieviously afflicted with blotches and pimples on her sain and in her hair. After our child was cured, she also tried your Fills, and they have cured her.

Not only are your Fills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of Bilous Complaints than any one remedy I can mention. Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ.
