A REYOU SICK, feeble and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? The esymptoms are often the preduct to acrous litless. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the destructed in health again. They stimutate the functions of the body, into v igorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructs its natural functions. These if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant teeting of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them when suffering from the di orders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public per sons.

DYSPEPSIA, Liver Complaint, Fever and Ague, &c.

THE successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture.

But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS, and the entire absence of after prostration, has esta-blished for it a reputation which the host of imitations and counterfeits have failed to undermine. It is posi-tively a vegetable preparation, with barely sufficient pure spirits to preserve it.
