HARRISBURG.

Saturday Afternoon, May 18, 1861.

UNION ENVELOPES, Note Paper and Badges to be had at **Bergner's Book Store.**

THE SCHOOLS.—The male public schools of the North ward will commence next Monday.

FOUND.—Some time since, a small silver medal marked **Arithmetic Medal.** The owner can have it by calling at **Bergner's Bookstore.**

DIVINE SERVICE.—Elder E. H. Thomas, of Lancaster City, will preach in Brant's Hall, Court Room, to-morrow morning and evening at the usual hours.

FRIENDSHIP FIRE COMPANY.—A meeting of the Friendship Fire company will be held at their house at 7 1/2 o'clock this evening. Punctual attendance is requested.

GONE TO CHAMBERSBURG.—His excellency, Gov. Packer, left here this morning on a visit to Camp Slifer, at Chambersburg. He will return this evening.

REV. F. HODGSON, D. D., will preach in the Vine street, M. E. church to-morrow afternoon at a quarter past three o'clock. Preaching by the pastor, Rev. Robert J. Carson, at the usual hours both morning and evening.

FIGHT AT MARKET.—A fight occurred at the market this morning between two butchers, growing out of some difficulty relating to meat. It is said that knives were used; but neither of the parties were seriously injured.

GEN. URICH, of the Lebanon county brigade, was in town this morning, looking after the interests of his command. Two companies from his brigade, the "Myerstown Rifles" and the "Iron Guards" have been accepted by the Governor under the reserve act, and they will immediately go into camp.

HERR'S HOTEL.—We see that this Hotel has passed into new hands. Messrs. Coyle & Herr are the proprietors, and from the well known reputation of these gentlemen the public can feel assured of receiving every courtesy and kindness to make visitors comfortable. The House, we understand, will undergo a thorough renovation, and everything will be done to make it a desirable stopping place. We have no doubt that the new lessees will soon command a large proportion of the patronage of the public.

MILITARY RELIEF FUND.—The committee met on Thursday afternoon, the President in the Chair. Present—Messrs. Kepner, Ott, Rawn, Trace, Kelker, Hamilton and Edwards. The minutes of last meeting were read and approved.

The Chairman of the Visiting Committee reported a number of new applications; which were acted upon.

The committee of conference also reported that they had called on the County Commissioners and the City Council—committee—the former giving no definite answer, the latter giving every assurance that their duties would be promptly and satisfactorily performed.

The condition of the fund being under consideration, on motion of R. F. Kelker, it was Resolved, That a note for \$200, at sixty days, is hereby authorized to be negotiated for, to meet allowances falling due on Friday, the 17th inst., said note to be drawn by the President and attested by the Secretary.

On motion of L. N. Ott, the conference committee was continued, with instructions to report at the earliest possible time.

THE AMERICAN EAGLE AND THE WAR.—This matter of fact age is not much given to belief in omens. As an intelligent contemporary remarks, we boast that we have got far beyond the civilization of the ancient Greeks and Romans, who regarded every event, the least extraordinary in its character, as being an indication of good or evil in the future. Yet it has, no doubt, proven to be true in the experience of every one, that occasionally there are events or incidents which appear to have such particular reference to the future, that, unsuperstitious as we claim to be, we feel inclined to hold them of some account. Of this character are the recent well authenticated accounts of the appearance of eagles, the emblems of our nationality, on different occasions, on the raising of the American Flag. The first one noticed appeared on the occasion of raising a flag at Camp Curtin; the second one during the performance of a similar ceremony at one of the military headquarters in Philadelphia. The third at the departure from home of some of the northern military companies; the fourth at the camp near Jonestown; and the fifth at Camp Slifer, Chambersburg, on the raising of the flag presented to the eighth regiment by some of the ladies of Chambersburg. This latter came sailing from the South directly over the flag staff, but at a great height, and was distinctly seen by hundreds of persons. After paying its respect to the Stars and Stripes it sailed off North. We wish it to be distinctly understood that this is no hoax; for while we did not see the noble bird ourselves, not being present on the occasion he made his visit, we nevertheless, have it from a score of the most reliable witnesses, that this incident did occur.

It is a peculiar circumstance that every eagle that has been seen thus far, has been flying North. Perhaps the noble bird, no longer able to bear the insults and jeers of its southern friends, has concluded to emigrate to the North, where there are strong arms to vindicate its honor, and brave hearts to sustain the Government of which it is the acknowledged emblem, or perish in the attempt. Or, perhaps, it may be intended to cheer our hearts in this dark hour of our country's history, by the assurance that as long as freemen raise the Stars and Stripes as the only banner under which they can battle, the eagle shall sail in triumph, the emblem of our country and its free institutions far aloft in the Heavens, above the reach of all who would do it harm.

ABOUT forty recruits for one of the Bradford county companies arrived here at noon to-day, and joined the company at Camp Curtin.

AN AMERICAN FLAG, fifteen feet long, was raised over the poor house mill this afternoon, with appropriate ceremonies.

THE FIRST ENGLISH LUTHERAN CHURCH being no longer needed as a shelter for the troops, is being cleansed, and cannot therefore be occupied for public worship to-morrow.

SABBATH SCHOOL TEACHERS' MEETING.—The teachers of the several colored Sunday schools will meet at the Wesleyan Union church, on to-morrow afternoon at 3 o'clock.

VOLUNTEERS WANTED.—A few good men with horses, to join a company of Cavalry, that has been accepted by the Governor. Enquire of W. Harvey Brown, at the Jones House.

ATTENTION, HARRISBURG CITY GUARDS.—Will meet for drill this Saturday evening, and on Monday, Tuesday and Thursday evenings of next week at the Baptist church, corner of Pine and Second street, at 7 1/2 o'clock P. M.—Punctual attendance is required.

A PARTY representing themselves as Mississippians were in town to-day, making rather a suspicious survey of our public buildings. They made application to get into the arsenal, but were refused by the guard, whereat they became very indignant. They were instantly spotted by the Vigilance Committee, who watched them closely until their departure in the 1 o'clock train for Philadelphia.

A CURIOSITY.—Mr. M. I. Franklin, Optician, a few doors north of our office yesterday directed our attention to the wonderful powers of a compound microscope in his establishment. We subjected it to numerous tests with the most satisfactory results; but that which pleased us best and at the same time appeared most remarkable, was when its focus, adjusted over a speck scarcely as large as the eye of the finest needle, revealed to view a complete and distinctly legible copy of the Declaration of Independence, with its signatures, the whole surrounded by portraits of the Presidents.

THE CAMP TO-MORROW.—As usual mass will be celebrated at Camp Curtin to-morrow, and preaching in the afternoon. Beside these, it is understood that several of the companies will attend divine service at one or two of our churches.

To our view, nothing shows more clearly the character of the Northern soldiery than these proceedings. The crowds of intelligent-looking men with serious but determined faces that Sunday after Sunday have occupied the seats of our churches, almost reminds us of the days of the Puritans. The grave and decided attention they give to the services of the sanctuary, involuntarily suggests to us the peaceful and happy homes they have left—other homes and sanctuaries where they have filled a place, and where now on the pleasant summer Sundays, the prayers of loved ones are going up in their behalf to the Great Father of all. This habit of reverence for holy things is something peculiar to Northern people. It is distilled into them from youth up, and will never forsake them. It is men reared amid such influences as these that compose the Northern army; men who understand the glorious privileges for which they are fighting; men who will go into battle with a prayer on their lips, fearing God, but not the face of man.

I have learned from gentlemen in the city of Harrisburg, that I had refused to furnish the Lochiel Grays with their rations on the 16th inst., and on the morning of the 16th inst., the day of their departure from Camp Curtin. As evidence that such has not been the case, and that all reports of that character are unfounded, I here annex a duplicate provision return signed by W. W. Jennings, 1st Lieutenant of the Lochiel Grays, and countersigned by H. M. Walters, chief clerk of the Commissary Department, and J. B. Clow, ration clerk of same department. And further; Captain McCormick, the First Lieutenant, and a number of his company expressed their regret that they had not time to contradict the current reports through the press.

PROVISION RETURN for Captain McCormick for one day, commencing on the 16th day of May and ending on the 16th day of May:—
Number of Men 77; Fresh Beef 120 lbs; Bread 48 lbs; Sugar 12 lbs; Coffee 4 lbs; Candles 1 lb; Soap 3 lb; Pepper 1 lb; potatoes 1 bush. I certify that the above is correct.

W. W. JENNINGS,
First Lieutenant, Lochiel Grays.
The A. C. S. will issue on the above return.
Geo. A. C. SEILER,
Commanding.

The Lochiel Grays received on the morning of their departure May 16th provisions for breakfast.

J. B. CLOW,
Ration Clerk.

H. W. WALTERS,
Chief Clerk,
Commissary Department.

SPLendid lot of BROKER Border for Shawls, 7-4 wide Black Merino for Shawls. Large lot of remnants of Lawns and Calicos, half price. 10 dozen Linen Shirt Breasts, 1 1/2, 25, 31 cents. New lot of Calicos and Muslins, very cheap. Black Shawls, with Broche Border, cheap—200 Parasols, latest style, at all prices. A very large lot of White Cambric, Jaconette, Nan-sueks, Swiss Muelins, and Cambric Banks and Edging. Baltimore money taken at par; Maryland and Virginia notes taken at a discount for dry goods, at S. LEWY.

ABOUT THE TRUTH.—The Louisville Journal tells a good story of Vice President Breckinridge. He was making a speech at Bowling Green, the other day, in which he assailed the Republican, and drew a glowing picture of the evils of the country. Fearing a moment, he then exclaimed, "And who is guilty of bringing about this terrible condition of affairs?" This about this terrible condition of affairs? This interrogatory was answered by three of the most respectable citizens present, who rose and said: "Warren County charges you with it!"

THE KANSAS Legislature has appropriated \$20,000 to be used to repel invasions and place the State on a war footing.

The mail cars on the Southern railroads are far aloft in the Heavens, above the reach of all who would do it harm.

BY TELEGRAPH.

Two Grand Encampments to be Established.

Harrisburg City selected as One.

COL. McDOWELL PROMOTED.

THE LONG BRIDGE SECURELY GUARDED.

More Arrests for Treason.

THE ZOUAVES RECEIVE \$500.

WASHINGTON, May 18.
Two grand camps are proposed—one to be connected with the Sickles brigade on Staten Island to receive whatever volunteers may be accepted—there to be drilled, and thence to be transferred wherever required on the Atlantic coast. Another camp to be located at Harrisburg for the supply of the service in this direction and at the southwest.

Col. McDowell was tendered promotion as Major General, but this he declined preferring a Brigadier Generalship which was worthily conferred. His course on this subject was alone prompted by feelings of delicacy and in satisfaction of a modest degree of ambition for military advancement.

The long bridge connecting Washington with the Virginia shore was not merely guarded but watched last night by a large number of effective troops than heretofore, and an armed vessel was in the vicinity. These measures were precautionary in view of reports of designs on the part of the secessionists. Arrests for treason continue to be made. Marshal Lsman has four under lock and key at the jail. Charles McCarthey, constable of this county, has been arrested, charged with using inflammatory language in the presence of and to the soldiers of the government. A squad of New Jersey men overhauled a Virginian this morning as a spy, and by order of Gen. Mansfield he was added to the list of those charged with treason. Daily the lines are being drawn more closely.

The proprietors of Willard's Hotel, on behalf of themselves and guests, have presented a purse of \$500 to the New York Zouaves for their noble conduct and efficient services in preventing the destruction of their hotel at the late fire.

IMPORTANT FROM ST. LOUIS.
Protection of Union Men—Occupation of Potosi—Capture of Secessionists—A Rebel Cavalry Company Dispersed.

Several Union men having been driven from Potosi, on the line of the Iron Mountain Railroad. A detachment of volunteers, under the command of Captain Cole, was sent down on Tuesday night, to protect the loyal citizens of that section. Captain Cole reached Potosi at three o'clock in the morning, and surrounded the town with a chain of sentinels, and shortly after daylight about one hundred and fifty citizens were taken prisoners. They were formed into line, and the Union men being recognized were released. About fifty of the secessionists were liberated on parole, and nine of the leaders brought to the city as prisoners of war.

Thirteen Union families arrived here last night, having been driven from different towns on the Pacific Railroad for supporting the Union.

General Price has issued orders instructing the brigadier generals to immediately organize the militia in their respective districts, and hold them in readiness for active service. The officers and soldiers are enjoined to afford all the protection in their power to the persons and property of the citizens of the State, without reference to their political principles. The object of this organization being simply to protect the people in their rights under the Constitution of the State, the United States troops are warned to avoid collision with any armed bodies, unless absolutely required to protect the lives, liberty and property of the people. The flag of the State of Missouri is the only one to be used by the militia.

Nearly nine hundred Irishmen have been enrolled in the United States service here, and they will probably be organized into a separate regiment.

The lead manufactory of John Dean, at Potosi, was taken possession of, and about 400 pigs of lead seized. On the return trip, the troops dispersed a company of cavalry at De Soto, and captured thirty horses, left behind them in their flight. The troops hoisted the stars and stripes on a pole that had just been raised to receive a secession flag. Another prominent secessionist was arrested there, and still another at Victoria, making twelve in all now in the arsenal.

KENTUCKY.
Heavy Union vote in the State election—proceedings of the Legislature—the Governor endorsed.

LOUISVILLE, May 17.
The official returns from eighty-nine counties of the State give the Union ticket 95,561 votes. There are eighteen counties to hear from. The aggregate presidential vote in November was one hundred and forty-six thousand two hundred and sixteen.

FRANKFORT, Ky., May 17.—The House yesterday concurred in the Senate bill legalizing the suspension of specie payments by the Kentucky banks.

The House also passed a series of resolutions declaring that Kentucky should maintain strict neutrality during the present contest, and approving of the refusal of the Governor to furnish troops to the Federal Government under existing circumstances.

THREE RIOTERS ARRESTED AND INDICTED BY THE GRAND JURY.
BALTIMORE, May 18.
Three merchants of this city, Jerome A. Fendergast, James Whiteford and George McGowan, were arrested this morning charged with riotous conduct in obstructing the track on the Baltimore and Ohio railroad on the 16th of April, while the Massachusetts troops were en route for Washington. They have been indicted by the Grand Jury and were admitted to bail. The New York 8th regiment left the Relay House this morning for Washington.

HEAD QUARTERS, P. M.,
Harrisburg, May 18, 1861.

I. In obedience to an Act of the Assembly, entitled "an Act to create a loan, and to provide for arming the State," approved 15th May, A. D. 1861. The following allotment of the fifteen (15) regiments directed in the act is made, and is hereby apportioned to the different counties in the State. The leading basis of said apportionment being the amount of population in the different counties; while keeping in view the numbers already taken into the United States service, not discriminating in favor of the agricultural counties, believing that sound policy dictates the importance of not interfering with their productive power.
