Ayer's CATHARTIC PILLS.

A REYOU SICK, feeble and complaining? and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleause out the disoraered humors—purify the block and let the fluids move on uncostructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general agricultura, suffering and if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer s Pills, and see how directly they restore the natural action of the system, and with it the buo yant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distermorers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pils, will neglect to employ them when suffering from the disorders they cure.

Statements from Teading hypicians in some of the principal cities, and from other well known public per sons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. DR. AYER: Your Pills are the paragon of all that is greath medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grieviously afficied with blotches and pimples on her kin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE. ASA MORGRIDGE.

AS A FAMILY PHYSIC. [From Dr. E. W. Cartwright, New Orleans.] Your PM's are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which make them invaluable to us in the daily treatment of disease.

Not only are your Fills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of Billous Complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb. 1856. Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathertic we employ. Their regulating action on the liver is quick and decided consequently they are an admirable remedy for derangement of that organ: Indeed, I have seldom found a case of Billous Disease so obstinate that it did not readily yield to them. Fraternally your s. to them. Fraternally yours,

Y DYSENTERY, DIABRHOEA, RELAX, WORMS. [From Dr. J. G. Green, of Chicago.]

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best sperions I have ever found. Their atterative effect upon the liver makes them an excellent remedy, when given its mani doses for Billous Dysentery and Diarrhosa. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

DYSPEPSIA, IMPURITY OF THE BLOOD. [From Rev. J. V. Himes, Paster Advent Church, Boston. Dr. Aver: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Warsaw, Wyoming Co., N. Y., Oct. 24, 1855.

Drar Sir: I am using your Catharite Pills in my pratice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

[From Dr. J. P. Vaughn, Montreal, Canada.]

Too much cannot be said of your Pills for the cure of Costiveness. If others of your fraternity have found them as effications as I have, they thould join me in producining it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I belief Costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

I find one or two large doses of your Pills, taken at the proper, time are excellent promotives of the Natural Secretion when we ally or partially suppressed, and also very effectual to curavist the stomacs and arrest worms.
