## Ayer's CATHARTIC PILLS.

A RE YOU SICK, feeble and complaining? ARE YOU SICK, feeble and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pilis and cleanse out the disordered humors—purify the blood and let the fields move on unobstructed in health again. They stimulate the functions of the bedy into v igorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer s Pills; and see how directly they restore the natural action of the system, and with it the buoyant feeling of beath again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.
Statements from leading physiclans in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1858. DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grieviously afflicted with blotches and pimples on her akin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

AS A FAMILY PHYSIC. [From Dr. E. W. Cartwright, New Orleans ]

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which make them invaluable to us in the daily treatment of disease HEADACHE, SICK HEADACHE, FOUL STOMACH.

[From Dr. Edward Boyd, Baltimore.] DEAR HRO, ATER: I cannot answer you what com-plaints I have cured with your Fils better than to say all that we ever treat with a purpative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Fils afford us the best we have, I of course value them highly.

PITTIBURG, Pa., May 1, 1855.

Dr. J. C. AYER—Sir: I have been repeatedly cured of he worst keadache suppody can have, by a dose or two offers of the seems to arise from a foul stomach, which they cleanse at once.

Clerk of Steamer Clarion Billous Disorders.—Liver Complaints. [From Dr. Theodore Bell, of New York City.]

Not only are your Fills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proyed more effectual for the cure of Billous Complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb. 1856.

Washington, D. C., 7th Feb. 1896. J
Sir: I have used your Pills in my general and hospital

to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided consequonty they are an admirable remedy for derangement

Billous Disease so obstitute that it did not readily yield
to them. Fraternally your s. to them. Fraternally yours,

DYSENTERY, DIARRHORA, RELAX, WORMS. [From Br. J. G. Green, of Chicago.]

Four Pilk have had a long trial in my practice, and I hold them in esteem as one of the best sperients I have ever found. Their alternative effect upon the liver makes them an excellent remedy, when given in small doses for Billeus Dysentery and Diarrhees. Their sugar-coating makes them very acceptable and convenient for the use of women and children. DESPENSIA, IMPURITY OF THE BLOOD.

[From Dr. J. P. Vaughn, Montreal, Canada.]
Too much cannot be said of your Fills for the cure of Costiveness. If others of your fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I belive Costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

|From Mrs. E. Stuart, Physician and Midwife, Boston.]
| I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the Natural proper time, are excellent promotives of the Natural Secretion when wholly or partially suppressed, and also very effectual to CLEAUSE the STOMAGE and EXPEL WORMS. They are so much the best physic we have that I recommend no other to my patients. [From the Rev. Dr. Hawkes, of the Methodist | Episcopa

HONDEYD SIR: I should be ungrateful for the relief your skill hise brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating Neuralgic Pains, which ended in Caronic Rheumatism. Notwithstanding I had the best of physicians, the disease grew we'se and worse, until by the advice of your excellent agent in Baltimore, Dr. Makenzie, I tried your Pills. Their effects were slow but sure. By persevering in the use of them, I am now entirely well.

DYSPEPSIA. Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture. But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS, and the entire absence of after prostration, has established for it a reputation which the host of imitations and counterfeits have sailed to undermine. It is positively a vegetable proparation, with barely sufficient pure spirits to preserve it.

What a pity that a young man, the hopes of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before content plating

DISEASES OF IMPRUDENCE—When the misguided and imprudent votary of pleasure flads he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery detors him from applying to those who, from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, affecting the head, throat, nose, skin, xc., progressing on with frightful rapidity, till death puts a period to his dreadful sufferings by sending him to "mai bourne from whence so traveler returns." It is a melancholy fact that thousands fall victims to this terribid disease, owing to the unskilfulness of Ignorant pretenders, who, by the use of that deadly poison, mercury, rub the constitution and make the residue of life misgrable.
