PARDONED. --- Sylvester G. Langdon, convicted of forgery and sent to the Western Penitentiary, has been pardoned by Governor Curtin.

KEPNER FENCIBLES .- This company is now fully organized, and only await acceptance by the Governor to go into the service of their country. Samuel Wilt is Captain, Cornelius M. Shell first Lieutenant, and Wm. H. Weaver second Lieutenant. A meeting of the company will be held at Exchange Hall this evening. -----

THE CAMERON GUARDS are not at Washington, as announced by telegraphic dispatches a few member of the 'company, printed in another column, they are now quartered in the Maryland State Lunatic Hospital, four miles southwest of Baltimore. The Guards expect to move in the direction of Harper's Ferry in a a few days.

WORTH KNOWING .--- As "fly time" is nearly upon us, we may remind our readers that it is dated appearance. Having no money to pay said that if three or four onions are boiled in a their fines, and the Mayor not feeling a dispopint of water, and the liquid is brushed over glasses or frames, the flies will not light in prison, they were reprimanded and dison the articles washed. This may be used without the least apprehension, as it will not do the least injury to the frames.

ROBERTS GUARDS. - The members of this home-guard corps are making rapid progress in the science of military drill under the effective instruction of their commander, Dr. E. W. Roberts, one of the most accomplished military men in community. The Guards were out on parade last evening, armed .with muskets, and acquitted themselves quite creditably. -----

THE STARS AND STRIPPS .--- The American flag floats from almost ϵ very store, tavern and public place in Dauphin county, as well as from many private residences, testifying the fidelity and undying patriotism of our people :

Forever float that standard sheet:
Where breather the foe but falls before us
With Freedom's soil beneath our feet,
And Freedom's banner streaming o'er us!

GRAND COMMANDERY OF KNIGHTS TEMPLARS. The eighth annual conclave of the Grand Commandery of Knights Templar, will be held this year in the city of Pittsburg, commencing on the second Tuesday in June (the 11th.) The Commanderies will be fairly represented, arrangements being in contemplation by which to have excursion tickets issued by the Pennsylvania Railroad Company to those who are entitled to seats in the Grand Commandery.

For two or three days past they have been a stively engaged in preparing a bountiful supply of "good things" for the State Capital Guards, which will be forwarded to Chambersburg to-morrow morning in charge of a special "commissariat" deputed by the fair donors for that purpose. -----

It is a southern secession practice, and no honorable man will engage in it. THE HARBISBURG RIFLES have received their

caps, and will be furnished with muskets from the quota appropriated to the home guard force. The company will meet to night armed and equipped for parade and drill. It is design ed to make the Rifles a permanent organization, and should the services of these young men be required in the future we doubt not they will be promptly tendered.

RECRUITS. - A company of recruits from Tioga county, numbering about seventy able bodied men, arrived here this afternoon and proceeded to Camp Curtin. They come here for the purattention.

We heartilv second the suggestion made by a cotemporary, that in every city and county where treason does not forbid and forcibly prevent it, ulation who are resolved to stand by the Union shall be gathered together for such a celebration as our fathers loved. Let the preparations be fitly and seasonably made, and the Fourth FEAST FOR THE STATE CAPITAL GUARDS .- The of July, 1861, will be remembered with patriotic affection and pride for the next half century.

THE GENEROUS HOSPITALITY wth which many of our citizens entertain soldiers from Camp Curtin who visit the city, is highly commendable. We could mention the names of a number who have repeatedly invited volunteers to their private tables and cheerfully shared with these brave defenders of the Union the bounties with which a kind Providence has so richly blessed them. We had occasion to visit the house of a friend last evening, and found three large bodies of troops at Chambersburg has "Buck Tail" volunteers seated at his hospita-

STABTLING NEWS .- Draw forth your red bandanna, and have it ready shaken. It was said on Saturday last that Cumberland Valley was by the Secessionists taken. It was currently reported on Saturday that much fear existed in the minds of those living in Pennsylvania, between Chambersburg and the Maryland line, that it was the intention of a large force of se cession troops, in connection with three hund-
