Ayer's CATHARTIC PILLS

A RE YOU SICK, feeble and complaining? ARE YOU SICK, feeble and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the preduct to serious theses. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered humors—purify the blood and let the fluids move of anobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructs its natural functions. These, it not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the bouyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effectes expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public per sons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. DE. ATER: Your Fills are the paragon of all that is great in medicine. BERHAVE'S

DYSPEPSIA, Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture. But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS. RERHAVE'S HOLLAND BITTERS,
and the entire absence of after prostration, has established for it a reputation which the host of imitations
and counterfeits have falled to undermine. It is positively a vegetable preparation, with barely sufficient
pure spirits to preserve it.

It is a medicine of long-tried efficacy for Purifying
the Bood, so essential for the foundation of good
health and for correcting disorders of the atomach

salutary effects. The stomach will speedily regain its
strength, a healthy action of the liver, bowels and
