Ayer's CATHARTIC PILLS.

A RE YOU SICK, feeble and complaining? ARE YOU SICK, feeble and complaining?
Are you get of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right romedy. Take Ayer's Pills and cleanse out the disordered humors—purify the blood and let the fluids more 3-2 unobstructed in health again. They stimulate the fauctions of the body into y igorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructs its autural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. Whils it this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trival and common conceptaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effec expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public per sons:

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cared my little daughter of ulcerous sores upon her has a and feet that had proved incurable for years. Her mitter has been long grieviously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

AS A FAMILY PEYSIC. [From Dr. E. W. Cartwright, New Orleans.] Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which make them invaluable to us in the daily nt of disease.

[From Dr. Edward Boyd, Baltimore.] DRAR BRO. AYER: I cannot answer you what com-plaints I have comed with your Pills better than to say all that we ever treat with a purgative medicine. highly.
