HARRISBURG

Thursday Afternoon, May 30, 1861.

RAILROAD ACCIDENT.—The other evening a freight train on the Lebanon Valley Railroad run off the track and a man named Patrick McCabe had his legs badly crushed.

NEW FLAG ORDERED.—The pupils of the North ward male schools have ordered a new and beautiful American flag, of large dimensions, to take the place of that which now floats over the Lancasterian school house.

GRAND PICNIC.—The first picnic of the season will be given by the "Union Assembly" in Hachelen's woods next Thursday.

SEND A STAMP.—It would be well for those who correspond with volunteers now in camp, or on duty away from home, to enclose a postage stamp in order to secure a reply.

THE HOME GUARDS OF Susquehanna and Lower Paxton townships, will meet for drill at the store of John C. Shoop, in the village of Shellsburg, on Saturday evening next at half-past five o'clock.

SNOW BALLS IN MAY.—This morning we met a lady carrying in her hand a large bunch of "snow balls," which made one shiver to look at, so suggestive were they of winter.

PASS THEM ROUND.—Three members of Capt. Baldy's company of Easton, named George Bowers, Thomas O'Conner and Levi Muthart, having been recently guilty of disrespectful language and insubordination, were ordered to be marched out of Camp Curtin before a charge of bayonet, to the air of the "rogue's march."

HON. THOMAS W. DUFFIELD, a member of the last Legislature, has been chosen Captain of the Frankford Light Artillery, now drilling in expectation of an early call for their services.

OFFICERS IN TOWN.—Adjutant Knipe and Lieut. Charles Davis have been in town for a day or two on a visit from Camp Slifer.

MAYOR'S COURT.—In the absence of Mayor Kepner from the city, Justice Bader officiated in his place this morning and disposed of the inmates of the toms. Wm. Walker, a rejected volunteer, arrested for drunken and disorderly conduct, was discharged upon promise of good behavior hereafter.

THE WORK GOING ON.—From our own observation in this and neighboring towns, we think that the farmers are doing the right thing. A much larger space of land is being planted than usual.

Such is the fact. Let the soil of the north be made to bring forth more than at any previous period. He who now makes two blades of grass to grow where before was but one, is both a patriot and a christian.

CAUTION TO SOLDIER LETTER-WRITERS.—The following extract from a letter written by an officer high in command, is worthy the special attention of all our volunteers.

"I wish you would call the attention of the papers to the letters from privates, praising officers, &c. It is strictly forbidden by the army regulations, and is a cause of punishment by court martial for any officer or private to write or publish in any way any article praising, or blaming, or discussing the conduct of any officer or man."

CAPTAIN SIMMONS, of this city, who has been visiting the various Pennsylvania camps in his official capacity, as a United States army officer, has returned home, and will remain here some time for the purpose of inspecting and mustering in the troops which have been accepted under the three years' requisition.

PASSAGE OF TROOPS.—This morning two regiments from Philadelphia passed through this city en route for Chambersburg. The Scott Legion, destined for the same point, is expected to reach here this afternoon.

HOME DEFENCE.—The farmers in several of the adjoining townships are organizing companies for home defence, in case their services should be needed. This is a patriotic and commendable movement, and should not be confined to any particular section of the country.

THE SPECIAL COMMISSARIAT deputed by the ladies to take charge of the box of provisions and delicacies forwarded by them to the State Capital Guards, met with a cordial and enthusiastic reception on his arrival at Chambersburg.

CONSTABULARY AND POLICE FORCE.—We stated yesterday that impositions had been practised upon and money extorted from various persons by individuals representing themselves to be connected with the constabulary and police department.

A DEN CRUSHED OUT.—For some time past the people in the upper section of Verbeekentown have been annoyed by a disreputable institution where the most degraded class of the colored population, of both sexes, regularly congregated to drink cheap whisky, dance and sing, and make night hideous with their drunken revels.

THE MILITIA TAX.—HOLIDAY SOLDIERS.—It will be a gratification to the tax-payers of this county to learn that it is expressly provided in the new law bill, recently passed by the Legislature, that the law authorizing members of volunteer companies to receive pay for military parading, not actually in the service of the State, has been suspended during the existence of the present war.

Another victim.—A few evenings ago a young man from one of the upper counties, the son of an eminent citizen of our State, while passing through Capitol Park in an inebriated condition, was accosted by an individual who represented himself as a police officer, and threatened to take the former to the lock-up, unless he "socked" to the amount of one dollar.

ARRESTS FOR LARCENY.—A BOGUS CONSTABLE IN TROUBLE.—The female thief who stole a considerable amount of money from the bureau drawer of Mr. Snyder, a lager beer seller, was arrested last evening by officers Radabaugh and Wickert, and taken before Justice Bader, who committed her to prison.

IMPORTANT FROM CAIRO.—CAIRO, ILL., May 29. A full regiment of St. Louis volunteers, under command of Col. Shuttler, arrived here this afternoon and proceeded at once to Bird's Point, which they will permanently hold.

FOR CHAMBERSBURG.—A number of camp wagons, loaded with provisions at the government store house in this city, left last night for Chambersburg. Others will follow during the week.

A SUGGESTION.—Bunting has so rapidly advanced in price, that a good sized color costs double what it could be procured for a few weeks ago. Let the military rule be adopted, and the flags will long be preserved—that is, to run up the flag at sun-rise, and take it down at sun-set.

RELIEF FOR THE FAMILIES OF VOLUNTEERS.—The Judges of our Court, constituted by a special law of the Legislature, a board to disburse the funds appropriated by the County Commissioners for the relief of the families of volunteers now in service, will enter upon the discharge of their duties to-morrow.

NOT NEEDED.—A quarrel occurred in this city last evening between some soldiers, and fears being entertained of a general outbreak and assault upon one of the "peculiar institutions" in the rear of the Capitol, during the night, Col. Seiler ordered out one of the companies at Camp Curtin, and placed them at the disposal of the Chief of Police.

MEDICAL EXAMINERS.—The Surgeon General, Henry H. Smith, has selected the following Board of Medical Examiners to examine candidates for surgeons in the volunteer corps of this State, viz: Dr. King, of Pittsburgh, Dr. George Dock, of Harrisburg, and Dr. Agnew, of Philadelphia.

COURT ITEM.—Joseph Kahnweiler, of this place, who was arrested several weeks ago upon complaint of his Philadelphia creditors that he had fraudulently contracted the debts due them, and had secreted, removed and assigned his property with intent to defraud them, had a hearing yesterday and the day before, before His Honor Judge Pearson.

MOVEMENTS AT ST. LOUIS.—Col. Blair's regiment has been sworn into the United States service for three years. About 200 citizens of Southern Illinois left for the South a few days since, to join the rebel army.

LATER FROM WILLIAMSPORT.—Retreat of the Rebels to Falling Waters.—Two Hundred Virginia Troops encamped at Georgetown.

MOVEMENT OF TROOPS.—PHILADELPHIA, May 30. Three Pennsylvania Regiments—twenty-first, twenty-second and twenty-fourth—started from Suffolk Park within the last twenty-four hours for Chambersburg.

INTERESTING FROM NORFOLK.—Movements of General Beauregard—Preparations for defence against General Butler.—The Rebel Troops Badly Disciplined, but Well Armed.—A Whole Company Votes Against Secession.

SEVENTY OF THE EIGHTY-THREE VOTES cast in Portsmouth, Va., against secession, were by a rifle company, who were immediately dismissed and disbanded.

THE ATTENTION OF GENTLEMEN is solicited to our very large assortment of UNDESIGNED AND DRAWERS of every size and quality. GENTS' JUVENILE GLOVES, best article manufactured.
