Ayer's CATHARTIC PILLS.

A REYOU SICK, feeble and complaining? REYOU SICK, feeble and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? The symptoms are often the prelude to serious illness. Some fit of sickness is oreeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disorvered humors—purify the blood and let the finds move on anoustructed in health again. They stimute the functions of the body into vigorous activity, purify the system to m disease." A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and tre surrounding organs, producing general aggravation, suffering and disease. Whils in this condition, oppressed by the deraugements, take Aver's rills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of hand again. What is true and so apparent in this trival and common complaint, is also frue in many on the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the di-orders they cure.
