THE SUPREME COURT is now in session at the Capitol, and a large number of legal gentlemen are in attendance from various sections of the State. The Court will probably continue in session for several days.

ATTENTION FENCIBLES! - The Kepner Fencibles will meet this evening, at Exchange Hall, at 7 o'clock, for drill, and to make arrangements to join Camp Curtin. There is still room for a few sober young men.
SAMUEL WILT, Captain.

A PILL FOR BALTIMORE.—The monster Union gun which went through this city by railroad a few days ago, was destined for Fort M'Henry instead of Fortress Monroe. It will be mounted with as little delay as possible, and once in against the government.

THEIR OCCUPATION GONE .- The organ grinders who usually diverge from the large cities when the fields are green and the flowers are in bloom, have made fheir appearance in this place; but they fail to attract any attention even among the juveniles, notwithstanding their organs are up to all the popular airs of the day, and their monkeys ready to perform all manner of grotesque movements. Yesterday afternoon we noticed a grinder in Third street near our sanctum working the crank of his organ with unwonted vigor, but the fellow tried in vain to draw a "paying" audience. He even failed to attract the attention of two small colored lads seated on the curb stone drumming with sticks. The war music has crowded the dulcet notes of the organ out of the market, and we think the best thing the bronzed sons of Italy could do, now that their protects them.

NEW TRIAL GRANTED .- At the last term of Court Levi G. Huber was tried for keeping a bawdy house in North street, and convicted. A motion for a new trial was made, and the argument upon it took place yesterday, when the Court granted another trial, which will come off at the August term.

A POLYGAMIST. - In the ranks of the Verbeke Rifles is a young man named Marshall, who, it seems, left a plurality of disconsolate wives behind to mourn his departure "for the wars." Among the applicants to the Relief Committee for "material aid," are two women, each claiming to have been united to the "bold soger boy" in the holy bonds of matrimony. The probability is that the claim of both applicants will be rejected.

THANKS.—Some of our Harrisburg boys, members of the Burns Infantry, now in camp at Chambersburg, request us to return their hanks to Mr. John H. Hause of this city, for his kindness in forwarding them a box of fresh fruits, vegetables and other delicacies to which soldiers are unaccustomed. Messrs. Wm. G. Rees and Wm. F. "THE RED WHITE AND BLUE."-At no period in the history of the country within the last quarter of a century, has the emblem of our nationality-the glorious star spangld bannerseemed half so dear to the loyal sons of America, as at this present time. The emblem is reconsecrated—infused again with its old meaning and glory. The old flag which our fathers loved and honored now floats on every breeze; it waves beside the holy cross at the steepletop; it adorns the princely mansions of the rich, and flutters over the humble dwellings of the poor. The steam-horse wears it at his iron mane; the pedler does his traffic under its shadow. In the eloquent language of a gifted writer, the American flag now waves from every mast-head on the loyal sea, almost from every house-top on the loyal soil, and every-"occupation's gone," would be to enlist in where it is a talisman to rouse the deepest feelthe Federal army and help defend the flag that ings of the heart, a charm to lull party strife and to inspire millions with a common thought, a thing almost sacred enough to be worshipped. ORDERED TO MARCH. -- The Cumberland Guards, Capt. Totten, now in Camp Curtin, have received orders to march from here, and will leave to-morrow for Camp Wayne in Ches ter county.

A STATED MEETING of the Paxton Hose Company will be held in their room this (Tuesday) evening, at eight o'clock. Business of importance is to be transacted, and a full attendance is desired.

Accepted.—The German Legion, of Williams port, has been accepted by the Governor for three years, and will probably receive orders to march to Camp Curtin sometime this week The Legion is composed of able-bodied Germans, many of them experienced soldiers.

Notice.-Having been unable to effectuate the numerous orders I received these last few days, I will extend my stay in this city until next Wednesday evening the 5th of June, when I will close my office positively here.

PASSAGE OF TROOPS.—The fourteenth and fifteenth Pennsylvania regiments from Fort Johnson, and the Fort Sumter Garrison frnm New Keystone State left here last night, probably York, passed through this city last evening en route for Chambershurg. During the past two months, every foreign mail comes to us loaded with expressions of indig-nation called forth by the frantic Saturnalia of the South. Two columns of troops, from Gen. M'Clellan's command, one commanded by Col. Kelley, consisting of the First Virginia volunteers, and the other commanded by Col. Crittenden, consisting of the Indiana volunteers, left Grafton early last night, and after marching the entire night through a drenching rain, surprised a camp of rebels two thousand strong, at Philippi, Virginia, routed them completely, killing fifteen, and capturing a large amount of arms, horses, ammunition, provisions and camp equipage. The surprise was complete, and, at the last advices, the United State troops were in hot pursuit of the rebels. Probably
