Ayer's CATHARTIC PILLS.

A RE YOU SICK, feeble and complaining? ARE YOU SICK, feeble and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the preindet to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered humors—jurity the blood and let the fluids move on unconstructed in health again. They stimume the functions of the body into vigorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer s Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in, many or the deep-scated and dangerous distempers. The same purgative effor expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pils, will neglect to employ them when sudering from the di orders they cure.

Statements from leading physicians in some of the principal cides, and from other well known public per sons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. Dr. Aver: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous seres upon her han s and feet that had proved incurable for years. Her m ther has been long grieviously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried; tury Pills, and they have cured her.

AS A FAMILY PEYSIC. [From Dr. E. W. Cartwright, New Orleans.] Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which make them invaluable to us in the daily
