HARRISBURG Friday Afternoon, June 7, 1861.

MAD DOG.—A mad dog was shot in the vicinity of Hummelstown a few days ago. Keep on the look-out for them up this way.

CLERK APPOINTED.—Mr. Henry Mix, of Towanda, has been appointed to a clerkship in the Auditor General's office. The papers of this place endorse him as well fitted for the station.

QUARTERED ARTILLERY.—Captain Campbell has ordered a recruiting office in this city for the purpose of enlisting eighty-six men to form a company of mounted artillery to serve for three years in the Pennsylvania reserve corps.

VIOLATING AN ORDINANCE.—Complaint has been made to the Mayor against Mr. Christian Eger, a huckster, for creating a nuisance in the market place. A hearing of the case will take place this evening at seven o'clock.

NEW SCHEDULE.—The summer schedule of the Pennsylvania Railroad goes into effect on Monday next. Some important changes have been made in the arrivals and departures of the various trains. The time table will be found in another column.

AN AMERICAN FLAG.—The public school house in Walnut street between Front and Second, this evening after the dismissal of the schools. We presume arrangements have been made for appropriate ceremonies on the occasion.

THE LADIES OF MIDDLETOWN have manufactured and forwarded to the Cameron Infantry, now in Camp Curtin, a sufficient number of "black" cap covers to supply the whole company. (Canst the ladies of Harrisburg do as much for our companies now in service? We propose for a reply.)

A THREATENED ARREST.—Yesterday Charles H. Cole, son of Rev. Dr. Cole of Baltimore, was arrested by the military stationed along the Northern Central Railway, sent to Baltimore and thence to Fort Mifflin. He is charged with being concerned in the burning of the bridges on the above road in April last, and with committing treason against the general government.

THE CHILDREN PATRIOT.—It was not to be expected that the military spirit which pervades the community would spare the juveniles from visitations, who are ever disposed to imitate the doings of their elders. Accordingly yesterday meet with miniature soldiers parading the streets with music and banners, whose captain issue the word of command with all the dignity and energy of full grown officers.

THE VACCINATED.—We again urge upon our soldierly brethren the necessity of being vaccinated before entering into service. If this is attended to in every case a world of sickness and nearly valuable lives may be spared for our cause. When ordered off, there is no knowing what the troops may come in contact, and all precautionary measures to avoid disease should be adopted. By all means, then, let the soldiers be vaccinated.

DAYS OF FASTING AND PRAYER.—The General Assembly of the New School Presbyterian Church has recommended Friday, June 28th, to be observed as a day of fasting and prayer for the country. The General Assembly of the Old School Presbyterian Church has recommended Monday, the 1st of July, to be observed the same purpose. Thursday, the 18th of June is appointed to be observed in like manner in the seconded States.

THE STRAWBERRIES.—The largest and finest strawberries we have seen this season were grown upon the Keystone farm near our city. They greatly excel in size and flavor the stale and insipid berries brought here from the south; and for their superior quality, as well as for the patriotic reasons given by a correspondent yesterday, they are preferred by all lovers of this delicious fruit. Mr. Miah will have a large supply in market to-morrow morning.

THE COUNTERFEIT MONEY.—A soldier named John Templin, belonging to the Wayne Regiments, was arrested at camp yesterday by officers of the 11th of this city. He was charged with passing a counterfeit five dollar bill upon Mr. Wm. Morris of this city. He admitted that he was ignorant of the note being counterfeit, and promptly offered to redeem it. He is being sent to the officer released him from custody. There is a considerable quantity of counterfeit bills and bogus coin about just now in this community, some of it so well executed as to deceive the best judges of money.

OUR GOD IS OUR TRUST.—The pupils of the district free schools in Cincinnati, numbering one thousand children, called upon Maj. Anderson. The Major entered the reception room the whole force struck up the Star Spangled Banner. Major Anderson in response to the song, said: "I call your attention, children, to one expression in the song you have just sung—"In God is our trust." To be successful in this life, God commands you to God. If you will read citizens, you will be good soldiers. At Fort Mifflin I obtained my safe deliverance. Trust in God, children, while you live."

MAYOR'S COURT.—The "colabo" contained the occupants last night, all of whom were arraigned before the Mayor this morning. George Wenzel and Joseph Fisher, for creating a nuisance in a lager beer shop, were sent to prison for six days. Frank Weaver, John (McLellan), Francis Murphy, Michael Carter and Christian Szentzer, all dilapidated specimens of humanity, were discharged upon promise to "keep" from the city immediately. Two mahogany-colored females, named Catharine Hamilton and Emma Moore, found lying around loose in a drunken condition are disturbing the public peace, were sent to the reformatory institution over the way for thirty days each.

PRENTISS advises young ladies "to remember that oranges are not apt to be prized after being squeezed a few times."

ATTENTION! KEPPER FENCIBLES.—You will meet at Exchange Hall this evening at seven o'clock, for drill. Every member is expected to be in attendance. The company will also meet to-morrow morning at nine o'clock, to march to Camp Curtin. There is still room for a few more sober young men.

GOOD APPOINTMENT.—We learn that Colonel Charles Stewart, son of Hon. Andrew Stewart, of Uniontown—popularly known as "Old Tariff Andy"—has been commissioned as a member of Governor Curtin's Staff with the rank of Lieut. Colonel. He is a West Pointer, and will no doubt make a brave and efficient officer when called into active service.

THE SILVER CORNET BAND of Williamsport, which accompanied the German Legion to this city, honored the Governor and several other citizens with serenades last night, discarding most eloquent music. This is one of the best bands in the interior of the State, and the members are all gentlemen and patriots. They left for home this afternoon.

THE CENTRAL GUARDS, a fine looking company from Bellefonte, arrived here at two o'clock this morning, and quartered at one of the hotels in the vicinity of the depot. This forenoon they marched to Camp Curtin under the escort of the Williamsport Silver Cornet Band. The Guards will be mustered into the State reserve corps for three years.

LEGISLATIVE GUARD.—Several the members of this company are now in the city. We presume they have come to make preparations for going into camp. Some persons, who have not a proper appreciation of the patriotism of our legislators, express the opinion that Capt. Davis will not be able to muster a "corporal's guard" of his company on the 16th. We shall see!

UNLUCKY DAY.—It is very singular, says the Chicago Times, that in this most unlucky war, every prominent movement has taken place on the most unlucky day—Friday. The bombardment of Sumter was commenced on Friday; the troubles in Baltimore took place on Friday; the first and bloodiest riot in St. Louis occurred on Friday; the attack on Sewell's Point was made on Friday; Col. Ellsworth was shot on Friday, and the batteries at Aquia Creek were attacked on Friday. It has been all a "Friday" business.

SWORN IN AT LAST.—The wild-cat companies have been sworn into service as part of the reserve corps. They compose ten companies from what is known as the "wild-cat district," and will probably be formed into a regiment by themselves. No more intelligent or braver men can be found anywhere than these sturdy representatives of the pine region. We predict that in the event of being called into active service, they will do some "tall fighting," and "return, from the scenes of conflict with "brows bound with victorious wreaths."

SOLDIERS' PRAYER MEETINGS.—Among the volunteers in Camp Curtin are a great many obedient men, under whose auspices prayer meetings are held every night in the Quartermaster's department. These meetings are regularly attended by large numbers of soldiers, who seem to take great interest in the exercises, and are no doubt profited thereby. In this dark hour there is no thought more precious to christian hearts than that the battles of our country are to be fought so largely by soldiers of Christ—a class of men who make the very best kind of soldiers. With a just and holy cause, and such men to defend it, victory is sure to perch upon our national standard: "Then conquer we must, for our cause it is just—And this be our motto: 'In God is our trust.'"

FRUIT THEIVES AND DESTRUCTION OF TREES AND SHRUBBERY.—As the season is at hand when persons who have a sufficiently refined taste to cultivate fruits of different kinds are likely to be annoyed by marauding thieves who pluck their fruit and mutilate their trees, we call attention to a provision in the penal code of this State intended to meet such cases. It provides that "if any person shall willfully or maliciously injure or destroy any fruit or ornamental trees, shrub, plant or grape vines growing or cultivated in any orchard, garden or close, or upon any public street or square in this Commonwealth, he shall be guilty of a misdemeanor, and on conviction, be fined not exceeding one hundred dollars, and undergo an imprisonment not exceeding six months, or both, or either, at the discretion of the court." It is the duty of every one to prosecute offenses of this kind to the fullest extent of the law. Fruit and flower stealing is just as criminal as every other kind of stealing, and ought to be punished. Some of the finest gardens in our city have already been invaded and despoiled of their choicest flowers; and if an example is not made of the offenders, the work of vandalism will be continued.

THE SOLDIER'S LIFE PRESERVER.—This morning we were shown an article styled the "Compound Aromatic Stomach Belt," which is recommended by physicians as indispensable to soldiers and others whose mode of life subjects them to change of food and water and to irregularity of habits and exposure. We believe this article will prove a God-send to our volunteers, and their friends should lose no time in furnishing each with one. They are light, serviceable and agreeable to the wearer, and calculated to exert a most happy influence in warding off affections of the stomach and bowels, soothing pain and suffering, and promoting the cure of those affections—the terror of a southern climate—to be dreaded by those who, in going to the south, experience a change of air, diet, and particularly water. It is for such cases particularly that the "Aromatic Stomach Belt" is most adapted, by its protecting the surface over the bowels—and then, by the powerful effects of the medicinal agents quilted between the folds of flannel, acting in a peculiar manner on those important organs, serving to keep them in an active, natural and healthy state. We notice these articles for sale by D. W. Green & Co., and advise every volunteer to procure one.

THE CHIEF OF POLICE, Mr. Radabaugh, is again confined to his room by a severe attack of inflammatory rheumatism.

A STATED MEETING of the Washington Hose Company will be held at the house this (Friday) evening at eight o'clock. Punctual attendance is required.

THE UNION PRAYER MEETING will be held in the Presbyterian church, corner of Market Square, to-morrow afternoon, commencing at four o'clock, as usual.

FOOT RACE.—Last evening two men undertook to see who could run the fastest. One was a constable and the other a thief. The latter proved entirely too "fast" for the short-winded official, and made his escape.

FOR CHAMBERSBURG.—This morning fifty or sixty more camp wagons left the Government depot in our city en route for Chambersburg. Almost one hundred were despatched to the same point last week.

A FEMALE THIEF.—A woman named Hannah Fallis was arrested this morning by officer Cole, charged with stealing sixty dollars worth of clothing from James Fagan. She was committed for trial.

THREATENING TO KILL.—A rascal desperado, named John Barton, was arrested to-day by officer Wickert, for threatening to kill Joseph Swartz, a huckster who attends our market. We did not learn the origin of the difficulty. Barton was committed for trial.

THE STRAWBERRY TRADE.—There is a superabundance of strawberries in our market just now, selling at prices which enable even the poorest to indulge in the delicious and wholesome fruit. Our neighbor across the way, Mr. Mader, daily receives supplies of fresh berries of a very fine quality.

THE DOG LAW.—The reason assigned for the non-enforcement of this law is, that our City Fathers have made no arrangements for the disposition of dogs that may be captured or killed. In every instance, however, where unmuzzled canines are found running at large, and the names of the owners can be ascertained, they will be fined under the provisions of the ordinance.

DISCHARGED.—The three secessionists recently arrested on the line of the Northern Central Railroad, charged with having assisted in burning the bridges and cutting the telegraph wires, have been discharged. The fellows took the oath of allegiance to the government, and signed a paper pledging themselves not to take up arms against the United States, after which they were let off.

MORE SOLDIERS FRAGMENTED.—The ladies of our city have been doing "the handsome thing" for the Wayne Rifles. In behalf of the company we return thanks to the fair donors for a bountiful supply of delicacies, which proved very acceptable. We noticed another lot of "feed" going to camp this forenoon, and presume some of the other companies "faced sympathetically." A gentleman who has visited the various State encampments informs us that nowhere have the volunteers been treated with more generous hospitality than at Harrisburg. We note the fact as one highly creditable to our patriotic ladies.

ACCIDENT.—This forenoon a child of Mr. Roberts was run over by a vehicle on the way to Camp Curtin. The little one, fortunately sustained no serious injury, although the accident will confine her to the house for a week or two. We are informed that it was the result of careless driving on the part of the hackman, who drove his cab so close to the house that it was impossible for the child to get out of the way. Since the grading of Ridge Road we had thought that the thoroughfare was sufficiently wide for travel, and no excuse, therefore, can be made for such accidents as the above.

AN OLD-FASHIONED FOURTH OF JULY.—The city authorities of Philadelphia are making arrangements for an imposing celebration of the coming anniversary of our National Independence. The bells of all the churches will be rung at sunrise, noon and sunset. Salutes will be fired, and a grand civic and military procession will be made. A meeting will be held in Independence Square, where a large floral display will be thrown over the main walk. Three or four little girls and the same number of boys, appropriately dressed, will unite in singing the Star Spangled Banner. In the afternoon there will be a regatta on the Schuylkill. In the evening, Independence Hall will be illuminated and pyrotechnic displays made in the upper and lower parts of the city. High old-time generally may be anticipated, and the occasion will attract thousands of people to Philadelphia from the interior towns and villages.
