INDEPENDENCE DAY!

TOWN MEETING.

A meeting of the citizens of Harrisburg will be held at the Court House on THURSDAY EVENING next, at 7½ o'clock, to devise means for celebrating the Fourth of July in an appropriate manner, and to appoint committees to carry the plan into execution. The present state of public feeling and the affairs of the nation demand that the public should show their respect for and appreciation of the sentiments implied by a Fourth-of-July Celebration, and hence it has been determined to make the day in Harrisburg one which will be long remembered. Everybody is invited to attend this meeting and add their efforts towards the accomplishment of the object.

MANY CITIZENS.

CAPTAIN SIMMONS, of this city, left for Cham bersburg to-day to muster in for three years such of the three month volunteers as have determined to ealist for the first named period.

APPOINTMENT. - Mr. A. J. Foster, of this city, has been appointed Quartermaster Sargeant for the twenty-fifth Pennsylvania regiment, now stationed at the Federal capital. The Lochiel Greys (company F.,) belong to this regiment.

THE UNION ASSEMBLY PICNIC, held in Haehnlen's woods, on Saturday, was well attended in progress for similar parties during the preseni week. Now is the time for social gatherings in the shady groves, "where wild flowers bloom and birds make music all the day."

QUIET SUNDAY.—The city was unusually quies yesterday, presenting an aspect which should always characterize the observance of the Sabbath day. We observed no drunken men on the streets, and not a single arrest was made by the police officers. This gratifying and creditable state of affairs is owing mainly to the effective suppression of the Sunday liquor traffic by our city authorities.

CHANGE OF SCHEDULE, -A change took place to-day in the hours of arrival and departure of the Lebanon Valley Railroad trains .--The time table will be found in our advertising columns. This change gives a daylight run between Harrisburg and New York,

Darling, Jr., F. B. Tompkins, James Kinsey is composed of Irish and German volunteers, and John Hill, of Lawrenceville, Tioga county, kindness to the members of Captain Holland's ly affected their reputation. The Germans recompany of volunteers. It will be a gratification to the ladies to know that the kind atten- sonal dislike to their Irish companions in arms tion paid to the soldiers in Camp Curtin is properly appreciated by their friends at home.

How DESERTERS ARE PUNISHED .- The Court Martial convened at Carlisle Barracks recently, to his reason and his duty. We are sorry to sentenced three captured deserters to beflogged, note this difficulty, as Capt. M'Gee is one of branded and drummed out of the service. The the very best officers in camp, and had high sentence was executed a few days ago, when hopes of winning great credit for his company giving three to each company. This corps is the fellows were tied up to the gun carriages, and himself. received thirty lashes each, and were then escorted out of the garrison, in presence of the entire command, to the tune of the "rogue's march."

SERIOUS ACCIDENT .- This forenoon one of the soldiers on guard at the Arsenal, belonging to the Jersey Shore company, met with an accident which may terminate fatally. It appears that he escended to the top of the building to adjust a trap door, and missing his footing was precipitated to the ground with such force as to deprive him of sensibility. When picked up by his comrades he seemed to be in a dying condition. At the time of penning this item he is still lying in an insensible state, and fears are entertained that he will not recover.

school hotse, have procured a new and beautiful American lag, which will be flung to the breeze at half-pas 6 o'clock next Wednesday evening, with appropriate ceremonies. R. A. Lamberton, E.q., his consented to deliver an address on the occasion, and the pupils will sing the Star Spangled Banner and other patriotic songs. It is probable that one of the pupils will also deliver an appropriate address. The occasion will be one of more than ordinary interest.

STILL THEY COME.—Three companies of the Second Unted States Infantry arrived here from the improved muskets. They seemed altowithout a thought for the future. A few wowhich was not disclosed to the men until they age, to openly espouse the cause of rebellion vinced that there is many a slip between lover's arrived in this city.

DEPARTURE OF CAMP WAGONS.—A number which will be forwarded to the same point du. Uncle Sam's private mark. ring the present week.

PATRIOTIC.—A meeting of the Mount Vernon Hook and Ladder company will be held this evening, to make arrangements for celebrating the coming anniversary of American Inde pendence. This is a commendable movement, and we hope to see it followed up by all the other fire companies in our city.

Man Killed.—A few evenings ago Mr. Heny Amsbaugh, residing four miles east of Johnstown, was killed while standing on or near the rack of the Pennsylvania Railroad. He was struck on the back by a passing train, and knocked off the track. In the fall or concussion he also received two severe cuts on the head. When picked up life was entirely extinct.

GOOD APPOINTMENT.—The Government has ank of Colonel in the militia of the District of the fair donors. Columbia, and detailed him for service as Military Superintendent of all the railroad routes which the Government has already taken possession of or shall take possession of hereifter. This is a most important position, and the Secretary of War has shown much sagacity

ADJUTANT WATERBURY was in the city yesterday on a visit to his family. He makes an excellent efficer, having the experience of the Mexican campaign, through which he served with great credit. He is exceedingly popular with the men of his brigade, all of whom speak of him, both as an officer and a man, in terms of the nighest commendation. The Adjutant, in company with Lieutenant Charles Davis, left for Chambersburg this morning.— They expect to move in the direction of Hagerstown to-morrow.

FOURTH OF JULY.—In response to our appeals in favor of a proper observance of the coming anniversary of American independence, a call for a town meeting next Thursday evening was handed to us to-day, which will be found in another column. We learn that the Mayor of the city will be invited to preside at the meeting, and it is to be hoped that all our prominent citizens will attend and take part in the proceedings. Let us celebrate the National Sabbath as it has never been celebrated before and passed off pleasantly. Preparations are in the Capital City of the old Keystone State. The associations clustering around the day will, by a proper demonstration at this time, awaken in every bosom a newer and a stronger feeling of love and veneration for our glorious Union.

> CREDITABLE. - A friend, just returned from Chambersburg, informs us that the first and second regiments are generally conceded to be among the best under General Patterson's command. The men are represented to be temperate, orderly, gentlemanly in their deportment, and faithful in the discharge of a soldthese regiments by two companies -- the Came- vice. ron and State Capital Guards. We are proud of our "boys," and feel assured that, if af Pennsylvania regiment, destined for the same forded an opportunity of meeting the rebels point, having been relieved of railroad duty by on the battle field, they will cover themselves the regiment recently stationed in Delaware.

ZOUAVE CADETS .- The name of the Harrisburg Rifles has been changed to First City Zouave Cadets, and uniforms ordered exactly similar in style to those of the original Chicago Zouaves. The members of this new military corps are now practicing the Ellsworth drill, and have already become quite proficient in it. The Cadets will make their parade in full uniform some time during the present month, and are making arrangements to participate in the Fourth of July demonstration. The company is composed of seventy or eighty young men between the ages of eighteen and twenty-one, Another Flag Raising.—The boys connected volunteers be made the Cadets will promptly (than whom there is none more brave or galwith the various schools in the Lancasterian tender their services, having already an as- lant) was scouring the city last night in quest

> LEGISLATIVE GUARD .- One of the members of the Legislative Guard, Henry C. Bressier, Esq., of Clinton county, came to this city a few days ago to report himself, according to orders, but has been unable to find Captain Davis or ascertain his present whereabouts.

> More Soldiers Feasted .- A day or two ago Captain Campbell and his men were the recipients of a generous supply of pies and vegetables, from ladies of this city, who visited the camp and presented them in person. By request we tender the donors the thanks of the company.

PROVISIONS FOR THE CAMERON GUARDS .-- We neglected to notice, at the proper time, the reception by the Cameron Guards, a day or two previous to their leaving Cockeysville, of a large lot of provisions, furnished by ladies of appointed Col. Thomas A. Scott, Vice President this city. The boys highly appreciated the of the Pennsylvania Railroad Company, to the kind act, and passed resolutions of thanks to

THEIR CONDITION. - We have reliable informa tion that several members of the Cameron and State Capital Guards are in a ragged condition and entirely shoeless. Some ladies of this city, who are always prompt to relieve the distress of our suffering volunteers, are making arrangements to forward to the officers of the above-named companies a number of pairs of stout home-made shoes. Articles of this kind prove very acceptable to the soldiers, and add much more to their comfort than whole boxes of ples and sweet cakes. We commend the stout province. State Capital Guards are in a ragged condition suggestion to the consideration of our lady

TROOPS COMING .- About forty cars, loaded with troops from Washington, en route for Chambersburg, will reach Harrisburg this afternoon. Among these is the battery, horses, wagons and camp equipage of the Rhode Island Artillery Regiment, Colonel Burnside. LOVE AND DUTY .-- However we may change the condition and position of man, there is no changing his devotion to "fair woman." Last night we witnessed an instance of this, illustrated in the arrest of a soldier who was unfortunately absent without authority, although he was not engaged in any particular violation under command of Capt. CHARGED WITH TREASON. - A warrant was issued yesterday by Alderman Kline, on the oath of Hugh McDonald, of the Elk Rifles, against Captain J. Oscar Lorain, of the Washington Cadets, of Clearfield county, charged with uttering treasonable sentiments. A hearing of the case has not yet taken place.

THE THIRD BRIGADE, composed of the seventh, eighth and tenth regiments and the Scott Legion, under command of Brigadier General Williams, of this city, whose departure from Chambersburg we have already noticed, are now encamped near Greencastle. The Champersburg Repositor and Transcript, in noticing the march of this brigade, speaks of the officers and men in highly complimentary terms. We quote as follows :---

The Brigadier Gen. and Staff of this Brigade and the field efficers of the 7th, 8th and 10th are gentlemen every one of them. Their de portment has won for them the esteem of all classes of our citizens. There will be general regret at the departure of the Third Brigade, Pennsylvania Volunteers. The respect for the sanctity of the Sabbath which was manifested by General Williams during his protracted sojourn in our midst—promptly checking any-thing like a desecration of that day by the soldiers under him—has won upon the regard of the christian portion of our community to a very large degree. Wherever the third bri-gade goes, the good wishes of the people of Chambersburg will follow it. We are pleased to learn that Brig. Gen. Williams has named bis new camp, near Greencastle, "Meredith,"
