CATHARTIC PILLS.

A REYOU SICK, feeble and camplaining? REYOU SICK, 166536 337 SEESIMANING?
Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered humors—purity the blood and let the falds move our unobstructed in haith again. They stimulate the functions of the body into vigorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructsits natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general agravation, suffering and in ot relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, sud see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative elice expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them; surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure. Statements from leading physicians in some of the principal cities, and from other well known public per 8008.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856 Dr. Aven: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her han sand fost that had proved incurable for years. Her mutter has been long grieviously afflicted with blotches and pimples of her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

Dear Bro. Aver: I cauned answer you what com-plaints I have corred with your Pills better than to say all that we ever treat with a purgative medicine. Not only sre your Pills admirably adapted to their purpose as an aperient, but I had their bonedicial effects upon the liver very marked indeed. They have in my practice proved more effectual for the cure of Elitous Complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.
