Holland Bitters

DYSPEPSIA, Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of conpounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture.

But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS, and the entire absence of after prostration, has esta-blished for it a reputation which the host of imitations and counterfeits have failed to undermine. It is posi-tively a vegetable preparation, with barely sufficient treey's vegetame preparation, with carely suncent pure spirits to preserve it.

But one size of the genuine, (Half-Pint Bottles,) price ONE DOLLAS.

It is a medicine of long-tried efficacy for Purifying the Blood, so essential for the foundation of good health and for correcting disorders of the stomach

and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result. For INDIGESTION, Try
