HARRISBURG: Wednesday Afternoon, June 12, 1861.

TO ADVERTISERS.

The circulation of the DAILY TELEGRAPH IS FOUR TIMES LARGER than any other daily published or circulated in this city, and it therefore presents greater inducements for the patronage of advertisers than is offered to them through any other medium.

THE MORNING TELEGRAPH

Is issued every morning and contains THE LATEST TELEGRAPHIC DISPATCHES received during the night.

INDEPENDENCE DAY!

TOWN MEETING.

A meeting of the citizens of Harrisburg will be held at the Court House on THURSDAY EVENING next, at 7 o'clock, to devise means for celebrating the Fourth of July in an appropriate manner, and to appoint committees to carry the plan into execution.

MANY CITIZENS.

The Dog Law.—Several more owners of canines were "put through" to day for allowing them to run at large without muzzles.

The Flag Raising at the Lancasterian school house takes place at half-past six o'clock this evening. The occasion will be one of more than ordinary interest, and the ceremonies of a very pleasing and impressive character.

DESERVED SHOT.—We learn that the two fellows who recently deserted from the United States Cavalry at Chambersburg, and were subsequently captured while en route for Harper's Ferry, were shot yesterday. Such be the fate of all traitors!

A PERSONAL COLLISION took place in Market square last evening between a soldier from Camp Curtin and a colored individual. The latter proved to be the most skillful pugilist, and after a few rounds the soldier struck his colors and beats a retreat, with one eye shrouded in mourning, and his countenance damaged.

CREATING A NUISANCE.—Another of the parties, Mr. John H. Haus, returned by officers Cole and Wickert for creating a nuisance in the market place, had a hearing last evening before the Mayor, and was fined three dollars and costs. The case of Daniel Hinkle, returned for the same offence, was postponed until Friday evening.

PASSAGE OF TROOPS.—The first Wisconsin regiment, numbering about one thousand men, well armed and substantially equipped, arrived here at one o'clock this morning, and proceeded directly over the Cumberland Valley Railroad to Chambersburg, en route for Hagerstown, which point they expected to reach at noon to-day, on their way to Harper's Ferry.

MORE MICHIGAN TROOPS COMING.—The best armed and equipped troops which have yet passed through this city were the first and second regiments of Michigan volunteers. The third regiment, now encamped at Grad Rapids, will pass through here in the course of a few days; and the fourth, now at Adrian, will quickly follow. The Michiganders are fine soldiers, and will do good service against the southern rebels and traitors.

"THE WAY OF THE TRANSCENDENT," &c.—Mary Weller offended against the peace and dignity of the Commonwealth, by keeping a badly regulated institution where "bummers" and disorderly characters generally most did congregate. The neighbors bore with the annoyance of this institution until forbearance ceased to be a virtue; and on making known their grievances yesterday to the Chief of Police, he arrested Mary and took her before the Mayor, who committed her for trial. "A friend in need is a friend indeed;" but not one of Mary's numerous patrons proved to be such. In default of bail she went to prison.

PUBLIC INDECENCY.—We have repeatedly called attention to a matter which demands the intervention of the police. Almost daily men and boys are in the habit of bathing in the Susquehanna at the most public points, indecently exposing their persons in open day, and in some cases watching their opportunity to do so when females are passing along Front street and the river bank. The forty-fourth section of the revised penal code provides for the punishment of all such "acts of public indecency" as follows:

"If any person shall commit open lewdness, or any notorious acts of public indecency, tending to debauch the manners or morals of the people, he shall be guilty of a misdemeanor, and on conviction, be sentenced to pay a fine not exceeding one hundred dollars, or undergo an imprisonment not exceeding one year, or both, or either, at the discretion of the Court."

Thus it will be seen that the penalty for the offences referred to is quite severe enough to reach the care, and we trust Mayor Kepner will instruct the police to enforce the law strictly and impartially. There are enough secluded spots along the Susquehanna suitable places as the bridge piers, and other points prominently in view of Front street promenade.

CAMP CURTIN.—The volunteers in Camp Curtin accepted into the State Reserve Corps for three years, are now being organized into regiments.

CORRECTION.—The german who was drummed out of camp on Monday evening, for insubordination, came from Lebanon county, and not from Montour county as incorrectly stated in our notice of the affair.

DRUMMED OUT.—Two men were drummed out of Camp Wayne, at West Chester, the other day to the tune of the "Rogue's March." They declined to take the oath. They were followed by men and boys who made various demonstrations expressive of their opinions.

TO CURB DYSPEPSIA.—Take a new axe, put a white hickory handle in it, bore a hole in the top of the handle, fill the hole with gum camphor, and seal it up. Then take the axe and cut cord wood at fifty cents a cord, until the heat of the handle dissolves the camphor.

THE LOCHMIE GRAYS are not likely to get into active service, except in the event of an invasion of the Federal Capital. We learn that the regiment of which they form part will be kept in Washington on guard duty. It is not known whether the "boys" intend to serve during the war, or return home at the expiration of three months.

CHEAP BUTTER.—During a residence of many years in Harrisburg we have not known butter to sell as cheap as it does the present season. This morning our rural friends were glad to dispose of the grass-flavored and golden-colored rolls at ten cents per pound. Now is the time for economical housekeepers to put up their winter supplies of butter.

AN EXCITING TIME.—Quite an excitement was caused in the vicinity of the Mayor's office this afternoon by the arrest of Jacob Balsler, a citizen of Harrisburg, charged with having indulged in sedition language. A hearing of the case was ordered to take place at five o'clock, and Balsler gave bail for his appearance at that hour.

COL. ABERCROMBIE AND FAMILY, of the Second Infantry, U. S. A., passed through this city to-day en route for Chambersburg to join his regiment. A company belonging to this regiment, which has been stationed at Fort Ripley, Minnesota, for the last three years, passed through at the same time. They numbered sixty fine looking men.

SELLING LIQUOR ON SUNDAY.—Another violation of the law prohibiting the sale of beer and liquor on Sunday—Henry Bastian, the keeper of a grocery on Bidge Avenue—was arrested yesterday by officers Cole and Wickert, and bound over to appear at Court. This is the second arrest for Sunday beer selling within a week, and the officers above named deserve credit for their efficiency in enforcing the law. Let other offenders take warning!

VIOLATING THE MARKET ORDINANCE.—In the case of John Paulis, arrested for selling meat before the hour designated for the opening of market, a hearing took place before the Mayor yesterday afternoon, and John was obliged to pay one dollar fine and costs. This morning several of our "country cousins" were arraigned before the Mayor for violation of market regulations, and fined one dollar each.

DEATH OF ANOTHER SOLDIER.—Wm. Koons, of Campbell's Flying Artillery, Camp Curtin, died last night. He had been prostrated for several days with typhoid fever. News to the effect that his father, resident at Harper's Ferry, was hung by the secessionists, was reported here yesterday, and it is presumed hastened the crisis in his disease which has so lamentably terminated. The deceased will be buried with military honors.

HOG PEN NUISANCES.—We owe a vote of thanks to officers Cole and Wickert for their prompt action upon our suggestion relative to the abatement of hog pen nuisances within the city limits. Last evening they arrested John Madden, corner of Walnut and South streets, for maintaining a nuisance of this kind on his premises, which for some time has been a stench in the nostrils of people residing in that locality. A hearing took place before the Mayor, and Mr. Madden was fined two dollars. If the officers extend their tour of observation to other sections of the city, they will have an opportunity of making more arrests for the same offence.

A LITTLE GIRL who has a brother in one of our companies now in service, and who has been taught by her mother to say her prayer on going to bed at night, was told that she ought to remember her brother in her prayers, but nothing further was suggested. The next night, on retiring, the little one in her prayers said: "O, Lord, let brother Joe shot the others, but don't let the others shot Joe." A great deal of human nature as well as patriotism in that prayer.

DRUNKS.—Three colored victims of tanglefoot—Owen Jones, Joseph Parker and Sarah his wife—were before the Mayor this morning, charged with drunkenness and disorderly conduct. These parties inhabit a den in the classic locality of Bassa Cove, and create a "muss" whenever they can raise money enough to purchase a supply of whisky. In consideration of the woman having a small child, she was discharged. The two men were sent to prison for four days. John Doyle, a white "bummer," found lying around loose, was committed to prison for forty-eight hours.

THE BAR AND THE WAR.—We have alluded to the alacrity with which the printers have taken up the "shooting stick," and it is but fair to say that the Bar has come forward with equal promptitude. It is stated that one of the Carlisle companies has seven lawyers in its ranks, while Capt. Todd, and probably others of the same profession, belong to other companies from that place. Williamsport furnishes five or six young lawyers, all members of the same number, besides several law students.—The Harrisburg Bar is represented by Messrs. ALDERMAN, AWE, and FISHER, all holding the position of Lieutenant in their respective companies. All honor to them!

[THE FOLLOWING VERSES are the production of a little school girl in this city, whose father is now serving under the "stars and stripes" as Captain of a company in one of the Pennsylvania regiments.]

OUR FLAG.

We're of English descent, as every one knows, And a "wind of ill luck" sometimes over us blows. We left English soil to flee from oppression, And had not a thought of any accession. Our forefathers' God landed on Plymouth rock, Then knelt and thanked God they were safe from the rod; They had not a flag then to light for or save, And there was no lead for the free or the brave.

The land was then owned by an Indian tribe, Was purchased from them by a very large bribe. They formed then their States, adopted a flag, The "red, white and blue," of which we now brag— The flag which "fore long in foes blood will lave, And we'll peril our lives that ensign to save— That "star spangled banner" which in triumph still waves

Over this beautiful land that God to us gave. That flag is now threatened—through all it shall stand— Our glorious ensign shall be marred by no hand; For that flag we will die, and fight to the last— Then up with that banner, and fit to the mast. That banner shall fly—for the Union we'll die— And even in death that flag will hold fast; That star spangled banner in triumph shall wave, Over all the fair land of the free and the brave.

While in heaven's blue vault there glister a star, That flag shall be known by all near and far; To that flag all shall bow, both the high and the low, To friends a protection, a terror to the foe. Then let the south tremble and peace quickly make, And oh! let them see their lives at stake. And bow to that flag which, spite all, shall wave, Over this beautiful land of the free and the brave. HARRISBURG, June, 1861. A.M.

STRAWBERRY FESTIVAL.—The young ladies connected with the old school Presbyterian congregation, Rev. Mr. Cattell pastor, design giving a strawberry festival in the spacious and elegant dining room of the European Hotel, on Thursday and Friday afternoon and evening. The object is to raise funds for the purchase of an organ for the church, and of course the Festival will be a success. The choicest strawberries in market, with pure and rich cream, will be served up by the fair ladies who have the management of this affair, and all lovers of the luscious fruit should be on hand to luxuriate. The object being a commendable one, we hope to see the ladies liberally patronized.
