CATHARTIC PILLS.

A REYOU SICK, feeble and complaining? ARE YOU SICK, feeche and complaining?

Are you out of order, with your system deranged and your feelings ancomfortable? These symploms are often the prefude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pilis and bleanes east the discribed numers—purity the blood and let the fluids move or autopatructes a health again. They stimulate the laude move or autopatructes a health again. They stimulate the laude move or autopatructes a health again. They stimulate the laude move or autopatructes a health again. They stimulate the laude move or autopatructes a health again. They stimulate health and patron activity, purity the system from disease. A cold settles somewhere in the body, and obstructs its usural uncitions. These, it has believed, react upon incumeletes and the surrounding organism. While this condition, oppressed by the dering move the material action of the system; and with it the basy ant teeling of health again. What is true and so apparent to this trivial and common complaint, is also tried in many or the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangelments of the hatural innections of the body, they are rapidly, and many of them surely, cured by the same means. None whe know the virtues of these Pilis, will neglect to employ them when authering from the deforcers they cure.
