YOUNG MEN.

Young men especially who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talent and brilliant intellect, who might otherwise have contributed to the glory of our country with the thunders of eloquence, or walked to glory the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

ORGANIC WEAKNESS.

Immediately cured and full vigor restored.

He who places himself under the care of Dr. J., may rely upon his skill as a physician.

Office No. 7 South Frederick street, Baltimore, Md., on the left hand side going from Baltimore street doors from the corner. Be particular in observing the name or number, or you will mistake the place. Be particular for *Ignorant, trifling Quacks*, with false names, or *False Holographic Certificates*, attracted by the reputation of Dr. Johnson, lurk near.

All letters must contain a Postage Stamp, to use on the reply.

DR. JOHNSON.

Dr. Johnson member of the Royal College of Surgeons, London, graduated from one of the most eminent colleges of the United States, and the greatest part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who having injured themselves by private and improper indulgences, that secret and solitary habit which ruins both body and mind, and which their father, mother or sister.

They are some of the sad and melancholy etc etc produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Irritability, Nervous Debility, Headache of the Digestive Functions, General Debility, Symptoms of Consumption, etc.

MENTALLY.

Disturbance of the faculties of the mind are much to be dreaded—Loss of memory, Confusion of Ideas, Depression of Spirit, Irritability, Anxiety, Nervousness, Irritability, Sleeplessness, Trembling, etc., are some of the evil effects.

Thousands of persons of all ages, no man would judge that the cause of their distress, is the result of their vigor, becoming weak, pale, nervous and emaciated, have a singular appearance about the eyes, cough, and symptoms of consumption.

YOUNG MEN.

Who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hopes of his country, the darling of his parents, should be thus afflicted, and his prospects and enjoyments of life by the consequences of deviating from the path of nature, and indulging in a certain secret habit. In persons must, before consulting Dr. J., be restored to perfect health.

DR. JOHNSON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

By this great and important remedy, Weakness of the Organs are speedily cured, and full vigor restored. Thousands of the most nervous and debilitated who had lost all hope, have been immediately restored. All Impotencies, Nervous Debility, Headache, Irritability, Nervousness, Trembling, Weakness or Exhaustion of the most painful kind, speedily cured.

TO STRANGERS.

The many thousands cured at this Institution within the last twelve years, and the numerous important cures and operations performed by Dr. J., witnessed by the reporters of the papers, and many other persons, public of which have appeared again and again before the bodies of the sane and sane, is a sufficient guarantee of the genuineness, is a sufficient guarantee to the afflicted.

DISEASES OF IMPROBUDENCE.—When the misguided and imprudent votary of pleasure finds he has unbidden the seeds of this disease, it is too often happens that an all-potent sense of shame or dread of discovery deters him from applying to those who, from education and responsibility, can alone afford him relief, delays till the constitutional symptoms of this dread disease make their appearance, affecting the head, throat, nose, skin, etc., progressing on with frightful rapidity, till death pays a period to his distressful sufferings by sending him to "that bourne from whence no traveler returns." It is a melancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant practitioners, who, by the use of that deadly poison, mercury, ruin the constitution and make the residue of life miserable.

TO STRANGERS.—The Doctor's diploma hang in its office.

Names must contain a Stamp to use on the reply.
