Ayer's

CATHARTIC PILLS. A REYOU SICK, feeble and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the preliade to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disortered humors—purt. y the blood and let the fluids move on uncostructea in health again. They stimulate the functions of the body into y igorous activity, purily the system from disease. A cold settles somewhere in the body, and obstructs is natural functions. These, in the body, and obstructs is natural functions. These, in the body, and obstructs is natural functions. These, in the body, and obstructs is natural functions. These, in the body, and obstructs is natural function, purfering and disease. While in this condition, oppressed by the derangements, take Ayer s Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-sand and dangerous distempers. The same purgative effections of the capital functions of the body, they are rapidly, and many of them surefy, curred by the same means. None who know the virtues of these Pills, will neglect to employ them when sudering from the disorders they cure. Statements from leading physicians in some of the principal cities, and from other well known public per some.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. Dr. Ayba; Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her han sand feet that had proved incursible for years. Her miller has been long gricyrously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

[From Dr. Theodore Bell . New York City.] Not only are your Pills adm rably adapted to their purpose as an aperient, but I find their beneficial effects apon the liver very marked indeed. They have in my practice proved more offectual for the care of Billous Complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the Beonle.
