TO ADVERTISERS.

The circulation of the DAILY TELEGRAPH IS FOUR TIMES LARGER than any other daily published or circulated in this city, and it therefore ... presents greater inducements for the patronage of advertisers than is offered to them through any other medium. Let those who want buyers, try advertising in the TELE-GRAPH.

THE MORNING TELEGRAPH Is issued every morning and contains THE LATEST TELE-GRAPHIC DISPATCHES received during the night.

HAYMAKING has commenced in this neighborbood. Large crops will be gathered.

THE FOURTH OF JULY.—The people of Middletown, Millersburg, and other towns in this county, are making preparations to celebrate the coming anniversary of American independence appropriately. This is right. Everywhere throughout the loyal States the day should be honored by patriotic public demonstrations.

A Good Day's Work .- One day recently several citizens of Lykenstown visited a stream in that vicinity and caught two hundred and fifty trout, varying from twelve to eighteen inches in length, besides a quantity of other fish. The sportsmen of our city who are fond of angling for "speckled beauties" should visit Lykenstown and try their luck.

THE COMMITTEE OF ARRANGEMENTS for celebrating the approaching anniversary of our National Independence, will meet to-morrow ward committees are requested to be present of our citizens. and make their reports.

Joshua M. Wiestling, Sec'ry.

IMPROVING.—The young volunteer, Mr. Snay, belonging to the Jersey Shore company, who thinks there is a probability of his recovery. | the most experienced army officers. Some ladies in the neighborhood have been exceedingly attentive to the sick man, and this kindness is properly appreciated by him and his friends.

THE FOURTH AT GRATZTOWN. - The patriotic people of the upper end are making preparations for a "high old time" at Gratztown on Independence day. There is to be a grand military and civic parade, flag raising, display of five works, &c. Col. A. J. Herr, of this city, has been invited to deliver an oration .-From present indications the "glorious Fourth" will be celebrated with more than usual pomp and spirit in the various towns throughout our county.

THE UNION PRAYER MEETING will be held in the Presbyterian church, corner of Market square, to-morrow afternoon, commencing at four o'clock, as usual. The regular continuance of this meeting is appropriate and important. Affording, as it does, an opportunity for union in the worship of God, and prayer, in the simplest form of devotion, for His blessing and grace upon the participants, our country, and our fellow-creatures, it is in every way in process of manufacture for the volunteers in proper, and should engage general interest. A Camp Curtin. They are similar in style to co:dial welcome is given to all classes of citizens, and particularly to strangers temporarily through our city this morning, and the material sojourning in our city.

EFFECTS OF PROPER DISCIPLINE. -Some of the volunteers in Camp Curtin became "obstreperous" yesterday afternoon, but the riotous demonstration was promptly suppressed by Col. Biddle, who had the participants arrested and punished. The refractory spirits who formerly caused so much disturbance in camp, already begin to discover that the new commandant is a true soldier and strict disciplinarian who knows his duty and will discharge it faithfully. Camp Curtin is now one of the best regulated camps in the State, having a head whom the soldiers can look up to and honor without compromising their dignity as men.

SECOND RHODE ISLAND REGIMENT.-The Second Regiment of Rhode Island volunteers, Col. John S. Slocum commanding, arrived here over the Lebanon Valley road from New York at nine o'clock this morning, bringing with them a full equipment of camping materials, artillery, and one hundred horses. The Rhode Islanders are a splendid body of men, and elegantly equipped. They number eight hundred infantry and two hundred artillery, and have with them a well-appointed battery consisting of six pieces of rifled cannon. Governor Sprague, the present Executive of the State and Commander-in-chief of the Rhode Island forces, his Secretary Mr. Clark, and the Paymaster of the State, accompanied the regiment. Sprague emerged from the cars he received a nor Sprague and our Executive and military tic cheering and waving of handkerchiefs, which they returned with interest, the excellent Regimental Band playing Hail Columbia, and many of the men singing the Star Spangled Banner. The Rhode Island boys are in excellent health, and elated with the prospect of things, let us not have the horrors of famine added to the trials of war.

THE LADIES have adopted a red, white and olue hoop, which is called the war-hoop.

SHORT SERMON. - Fast horses win cups by the ise of their legs. Fast young men lose their legs by the use of cups.

More Troops Coming .- One of the New Hampshire regiments, and two or three New York regiments, are expected here this evening en route for Washington city.

A CHEAP LUXURY .- Owing to the great profusion of strawberries, they are now a drug in our market. Favorite hucksters peddle them about the streets at eight and ten cents a box.

CHANGE OF LOCATION .- Two or three of the egiments now in Camp Curtin will leave here to-morrow, for what point we cannot ascertain. If rumor be true they are to go into active service and join the Pennsylvania troops now on the borders of Western Virginia, where reinforcements seem to be required.

everything is effected by the formalism of gov. ernment officials.

A deserter is no better than a traitor, and should not be tolerated in any loval community.

No State Fair. - The officers of the State Agricultural Society have determined not to hold a Fair this season. In many counties the usual local exhibitions will also be dispensed with. Owing to the war excitement, and tight times in monetary affairs, the people have not

NEW EQUIPMENTS .-- We have examined speci mens of the new equipments ordered and now is of excellent quality. No volunteer soldiers in the Union will present a finer appearance than ours when mustered in their new equipments. It is expected that all the regiments in Camp Curtin will be fully uniformed in time to participate in the grand parade here on the fourth of July. A handsome display may therefore be anticipated on that occasion.

A LIVELY TIME. - Last evening a woman visited an obscure grog shop in which her husband has long been accustomed to spend the time that ought to be devoted to labor for the support of his family. By way of revenge upon the proprietor who harbored her whiskyloving lord, she broke all the tumblers in the "saloon," and attempted to stove in the head of a beer cask, in which she would have succeeded but for the intervention of two or three patrons of the institution. There was a lively time for a few minutes, and the infuriated woman, after extorting a promise from the frightened dealer in tanglefoot to close his doors against her husband hereafter, marched

off in triumph. FARMERS AND THE WAR.—This country would be able to support a very large number of fighting men through an indefinite period of time if the peaceful industry of the community was directed to this end. It would simply be necessary to divert the labors of those who are now engaged in making superfluous luxuries, to The arrival of the train attracted an immense the production of food and clothing. THE STRAWBERRY TRADE. - Several thousand bushels of strawberries have passed through DR. DUPONGO'S GOLDEN PILLS Harrisburg by railroad, within a few days, from Pittsburg to New York city. The crop has been immense this season everywhere throughout the country.

Going to Washington.—It is rumored this afternoon that Campbell's artillery, with an effective battery, will leave here this evening or to-morrow morning for Washington city. Several pieces of cannon were mounted at the Arsenal this afternoon. We also learn that the Secretary of War has made a requisition upon Governor Curtin for three regiments of the State Reserve Corps, to go to Washington immediately. From the stir in camp to day, we judge the reports to be well founded.

THE SERIOUS FAMILY IN PRISON.-For some time past there has existed in Meadow Lane a disreputable institution, kept by a Mrs. Rittenhouse and her two daughters, familiarly known in certain low circles as the "Serious Family." RETURN OF THE MAYOR.—Our worthy Mayor, who left the city a few days ago on a piscatorial oxcursion to Blair county, returned last night, bringing with him a large quantity of fine mountain trout, which he generously shared with his friends. We were the lucky recipient of a dozen of the "speckled beauties," for which Mayor Kepner will please accept our thanks and consider our best bow made.

CIRCULARS have been or will be addressed, by the Committee of Arrangements, to the various civic associations and Sunday Schools of our city, inviting them to participate in the parade on the anniversary of American independence.

We hope to hear prompt and favorable responses, so that the display may be a large and attractive one, and the entire demonstration for the carbon factors. A mong the same kind in other sections of the city.
