TO ADVERTISERS.

The circulation of the DAILY TELEGRAPH IS FOUR TIMES LARGER than any other daily published or circulated in this city, and it therefore presents greater inducements for the patronage of advertisers than is offered to them through any other medium. Let those who want buyers, try advertising in the TELE-GRAPH.

#### THE MORNING TELEGRAPH

Is issued every morning and contains THE LATEST TELE-GRAPHIC DISPATCHES received during the night.

WEST HABRISBURG METHODIST CHURCH .- The hours for Sunday service hereafter, until otherwise ordered, will be ten in the morning and six in the evening.

CREATING A NUISANCE .- This morning Lewis Kapphan, Henry Walters, John Casey, Lewis Opp, and Miller & Fertenbaugh, butchers, were arraigned before the Mayor for creating a nuisance in the market house. They were fined one dollar each.

RELIGIOUS SERVICES IN CAMP .- The usual religious services will be held in Camp Curtin tomorrow. Mass in the morning by Rev. P. Maher, of St. Patrick's church, and addresses at three o'clock by some of the other clergymen of our city.

ANOTHER PICNIC -- This morning a party of young ladies and gentlemen went to one of the shady groves adjacent to the city, to spend the day in social amusement and healthful exercise. The picnic continues to be a popular "institution," notwithstanding the war excitement and hard times.

THE NINTH PENNSYLVANIA REGIMENT was the a whoop, and as they struck the bank on "old Virginia's shore," they raised a rousing cheer, making the welkin ring. The buglers and the fifers played and the men sung "Dixie," as they passed through the town.

RAW FOTATO A NEUTRALIZER OF INTOXICA-TION.-It is stated that military men have dis covered a new remedy for intoxication, which, we believe, is "not down in the books." It is nothing more than raw potatoes, which are to be cut in slices and eaten without salt. An ordinary "murphy," it is said, will cure the most obstinate case in half an hour.

ACCIDENT AT CAMP CUBTIN .- On Thursday afternoon a member of the Irish Infantry was struck on the knee by a board, which fractured the patella or knee-pan. The man was immediately removed to the hospital. We cannot permit this occasion to pass without giving our vibute to the excellent sanitary measures of the hos, ital at Camp Curtin. Dr. King, and his assistant Dr. Reed, have proved themselves skillful and efficient surgeons. As a general thing the men in campare in healthy condition.

HER CONDITION .- Mrs. Leidig, the old lady recently injured on the railroad in this city, is can long survive.

THE SCARLET FEVER still prevails to some extent among children in this city. We have heard of several cases recently, two or three of which proved fatal.

THE MARKET THIEVES continue to operate successfully. Several of our rural friends were victimized this morning. Why don't the police officers make an effort to "spot" the thieves ly commissioned in the regular service, is still who regularly frequent our markets? With proper vigilance and tact this might be effected.

CUBE FOR BURNS .-- A medical journal states that by laying a piece of cold charcoal upon a burn, the pain subsides immediately. By leating the charcoal on one hour, the wound is healed, as has been demonstrated on several occasions. The remedy is cheap and simple, and certaialy deserves a trial.

NARROW Escape.-Last evening while a num-

ber of boys were indulging in the luxury of a cool bath in the Susquehanna, one of them was seized with cramp in the neck, and narrowly escaped drowning. The little fellow had ventured beyond his depth, and it was with great difficulty that some of his larger companions rescued him from a watery grave :

### While larger boys may venture more Little ones should keep near shore. ----

PRINTER SOLDIERS .- There is one good reason why so many printers shoulder their shooting sticks and volunteer for the war. It is in their the recurrence of the summer solstice, and conline of business. They want to distribute leaded matter into the enemy's columns. In case an op- | sed.
