Ayer's CATHARTIC PILLS.

AREYOU SICK, feeble and cumolatining?

Are you out of order, with yoar system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take a yer's Pills and cleanse out the disordered numors—purit, in the blood and let he fluids move of unconstructes in health again. They stimulate the hundless of the play in a vice property activities. out the discretered numors—purity the blood and let the fluids move or amonatructes in he hall hagain. They stimulate the functions of the body into y igorous activity, purity the system from discase. A cold settles somewhere in the body, and obstracts its natural functions. These, if not relieved, react upon tacmiscless and the surrounding organs, producing general agravation, suffering and discase. While in this condition, oppressed by the deangements, take Ayer's rills, and see how directly they restore the natural action of the system, and with it the buoyant leeling of heath again. What is true and so apparent in this trivial and common complaint, is also true in many or the deep-scatted and dangerous distempers. The same purgative effect expets them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many or them surely, cured by the same means. None who know the virtues of these Puls, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public per sons.

BERHAVE'S

DYSPEPSIA, Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal food of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whakes mixture. or some villanous whiskey mixture.

But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS, RERHAVE'S HOLLAND SITTERS,

and the entire absence of after prostration, has established for it a reputation which the host of imitations and counterfeits have failed to undermine. It is positively a vegetable preparation, with barely sufficient pure spirits to preserve it.

But one size of the genuine, (Half-Pint Bottles,) price ONE DOLLAR.

It is a medicine of long-tried efficacy for Purifying the Blood, so essential for the foundation of good health and for correcting disorders of the stomach and bowels.

Two or three doses will convince the affilted of its salutary effects. The stomach will speedily regain the strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result.
