CEPHALIC PILLS

CURE

Ayer's CATHARTIC PILLS.

A RE YOU SICK, feeble such complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prolude to sorious illness. Some fit of sickness is creeping upon you, and should be averated by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered humors-pure, y the blood and let the fuids move or uncostructes in health again. They stimu-net the disordered humors-pure, y the blood and let the fuids move or uncostructes in health again. They stimu-net the system from disease. A cold settles somewhere in the body, and obstructists natural functions. These, in or relieved, react upon themselves and the surround-disease. Whils in this condition, oppressed by the de-rangements, take Ayer's rills, and see how directly they restore the natural action of the system, and with it the buoyant leeling of health with is the date is true and so apparent in this trivial and common complaint, is also true in many o. the deep-seated and dangerous distem-pers. The same purgative effec expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who who when suffering from the di orders they cure. Statements from leadus physicians is nome of the principal clies, and from other well known public per gous. THE successful introduction and use of this cele-brated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture. But the really great rolief derived from the minute does, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS,

BERHAVE'S HOLLAND BITTERS, and the entire absence of after prostration, has estag-bished for it a reputation which the host of initiations, and counterfeits have failed to undermine. It is posi-tively a vegetable preparation, with barely sufficient pure spirits to preserve it. But one size of the genuine, (Half-Pint Bottles,) price ONE DOLLAR. It is a medicine of long-tried efficacy for Purifying-the Blood, so essential for the foundation of good health and for correcting disorders of the stomach and bowels. Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kineys will scon take place, and renewed health be the quick result.
